

KENDALL'S... SPAVIN CURE

The old reliable remedy for Spavins, Ringbones, Splints, Curbs and all forms of Lameness. It cures without a blister because it does not blister.

North Postage, Ont., Feb. 10, '98.
Dr. B. J. Kendall Co.
Dear Sirs:—Will you please give me a remedy for heaves. I have a mare that is afflicted. I take pleasure in stating that I have cured a curb of four years' standing with your Kendall's Blister, by using it only once and then applying your Spavin Cure. As long as I have horses, I will not be without Kendall's Spavin Cure and Kendall's Blister in my stable.
Very truly yours,
ADOLPHUS GAUTHIER.

Price \$1.50 for \$5. As a liniment for family use it has no equal. Ask your druggist for Kendall's Spavin Cure, also "A Treatise on the Horse," the book free, or address

JAS. SMITH & SONS' SHORTHORNS.

Twenty years of steady and persistent progress along one line, with unusually favorable surroundings for the breeding and rearing of Shorthorn cattle, in a large measure accounts for the comfortable home surroundings of Messrs. Jas. Smith & Son, at Inglis Falls, near Owen Sound, Ont. Possessed of a liberal education and a large fund of good common sense, the senior member of the firm has been called upon to shoulder the responsibility of numerous offices in church and state, which he has ably and creditably filled to the advantage of the community. The same wise judgment has been given to the breeding and care of his herd, only the most approved sires in breeding and quality having been used in the herd all along the line of its history. In examining the pedigrees of the two present and present bulls, which form an important feature in the breeding of the younger matrons, we found that the bull, Janitor 21385, by Duke of Lavender (imp.), and out of Julia (imp.), a member of the Jilt tribe, which John Miller & Sons imported, did valued service during his few years in the herd. Then came the Scotch-bred Scarlet Velvet 2416, by Golden Crown, and out of imported Selina, of the Kinellar Claret tribe. Following him is the present sire, Chief of the Clan 31123, by Clan Campbell (imp.), and out of Crimson Fuchsia 5th, with the imported sires Indian Chief, Premier Earl, Louis Arundel, and Scotsman 2nd uppermost. In his pedigree, such an array of imported top crosses as is seldom found in one pedigree. In Chief of the Clan we found a bull of even proportions, thick-fleshed and on short legs, possessing excellent character and type, and likely to make an impressive sire. Of the young things sired by him their owners feel justly proud.

The female portion of the herd, which now numbers about 20 animals, trace their origin to the Barrington and Lavinia tribes, the latter having the Erildoune cross, while the former carry such blood lines as Vice Consul (imp.) and Victor Strathallan. They are a useful lot, of mostly red cows, in good breeding condition. A few choice young bulls, in good growing form, were shown us when we called, which, together with a limited number of young females, are included in Messrs. Smith's offerings.

HEREFORD SHOW AND SALE AT KANSAS CITY.

The Hereford breeders made a mighty showing of their cattle at the great Kansas City Show, Oct. 22nd to 26th, the entries in most sections of the class being very large, in some running from 30 to 50 animals. The awards throughout the class were made by a jury of three, two of whom served as judges and the third as a referee, each member alternately serving as referee for a section. Judging from the criticism of onlookers, as expressed through the press, the decisions in many instances did not meet with popular approval. Following is the list of awards in the different sections, the judges being Messrs. W. S. Powell, Channing, Tex.; W. A. Morgan, Topeka, Kan.; and W. M. Atkinson, Roswell, New Mexico:

Bull, 3 years—1 Thos. Clark, Bercher, Ill., Perfection; 2 S. J. Gabbert, Platte, Mo., Columbus Chief 19th; 3 E. C. C. Bethany, Mo., Lomax, Calif.—1 T. F. B. Sotham, Thickflesh; 2 Lancaster & Son, Liberty, Mo., Anxious Lad; 3 W. S. Van Natta, Fowler, Ind., March On 12th. Cow, 3 years—1 W. S. Van Natta, Columbus; 2 Clem Graves, Dolly 5th; 3 T. F. B. Sotham, Benison. Two years—1 Gudgeon & Simpson, Blanche 13th; 2 O. Harris, Harris, Mo., Betty 2nd; 3 Thos. Clark, Peerless 5th. Eighteen months—1 W. S. Van Natta, Miss March On; 2 T. F. B. Sotham, Golden Lassie; 3 Gudgeon & Simpson, Mischief Maker; 4 W. S. Van Natta, Lady Ellen; 5 Thos. Clark, Joeline. Heifer calf, six months and under a year—1 O. Harris, Lady Dewdrop 2nd; 2 Stewart & Hutcheon, Queenly; 3 Gudgeon & Simpson, Honora 2nd; 4 T. F. B. Sotham, Nanette. Under six months—1 Van Natta & Sons, Nolla March On; 2 and 3 Stewart & Hutcheon, Matilda and Tempter's Queen.

A new jury, composed of John Sparks, Reno, Nev.; W. S. Ikard, Henrietta, Texas, and Tom Smith, Crete, Ill., made the sweepstakes awards, as follows:

Senior sweepstakes bull, over 2 years old—1 Clem Graves, Dale, Junior sweepstakes, under 2 years—1 Thomas Clark, Perfection, son of Dale, dam Milly May. Senior sweepstakes female, 2 years or over—1 Clem Graves, Dolly 5th. Intermediate sweepstakes for yearling heifers—1 Gudgeon & Simpson, Mischief Maker. Junior sweepstakes heifer, under one year—1 O. Harris, Lady Dewdrop 2nd.

For the Armour championship cup for best Hereford bull, any age, Messrs. Morgan and Atkinson being the judges, Tom Clark's yearling, Perfection, was crowned king.

The Sotham special, for best female any age, went to Gudgeon & Simpson's yearling, Mischief Maker.

Graded Herds. The awards for graded herds—that is, for bull over 2 years, cow over 3 years, 2-year-old heifer, yearling heifer and heifer calf—were: 1 Gudgeon & Simpson, on Dandy Rex, Mischievous, Blanche 13th, Mischief Maker and Honora 2nd; 2 Clem Graves, on Dale, Dolly 5th, Lady Heph, Candace and Rosamond; 3 T. F. B. Sotham, on Improver, Benison, Pure Gold, Golden Lassie, and Nanette. Young herd, under 2 years old—1 Gudgeon & Simpson; 2 T. F. B. Sotham; 3 Van Natta & Sons.

The Sale of Herefords.—At the combination auction sale at the close of the show, 185 Herefords of the 2nd catalogue were sold at an average of \$324.16; 87 females averaged \$298.79, and 98 bulls, \$339.88. The highest price for a bull was \$5100, for the yearling Columbus 17th, bred and offered by Benton Gabbert, Dearborn, Mo., and sold by Columbus 51875, and sold to Frank Rockafeller, Belvidere, Kansas. Two other bulls and one cow sold for \$1000 to \$1030, and the highest price for a female was for the 2-year-old, Justina, bred and owned by K. B. Armour, Kansas City, Mo., and sold for \$1025 to G. B. Smith, Fayette, Mo.
