Royal Counties Show—Continued.

places in the two-year-old class, but the former won for Lord Calthorpe, and the latter had, despite her merit, to be content with second honors, which she wore to the Royal Herd, at Windsor. Viscount Baring's Lady Broadhooks II. and Red Rose of Stratton XXI. had no difficulty in taking the leading place in the yearling heifer class, and one of the most interesting meetings at the Royal Show in a fortnight's time will be the meeting of these two heifers and the unbeaten Lady Amy from the Earl of Powis' herd.

The Aberdeen-Angus were well represented, and the leading owners of this breed in England have every reason to be satisfied with the particularly excellent display they made. Messrs. R. W. Hudson, J. J. Criddle, J. H. Bridges and W. B. Greenfield were the more prominent winners.

The Hereford entry was a good one, and in this class was found a specially fine lot of cattle. The Royal Herd was here again very successful, and in the stud bull, Fire King, was found probably as good an animal as any in the whole of the cattle section. Another of rare good quality and merit was the yearling bull, Peer, of Mr. A. E. Hughes, a splendid animal, and one that, if all goes well, has a great future. Mr. J. Tudge was to the fore with that notable heifer, Shotover, for whom there is great competition, and already a very high price has been refused.

The swine classes consisted mainly of Berkshires; this breed being more closely allied to the district in which the Society generally has its meetings. The herd owned by H. R. H. Prince Christian was very successful, as were also those widely-known herds owned by Messrs N. Benjafield, J. Jefferson, R. W. Hudson, A. Hiscock and Sir A. Henderson. Amongst the classes for Large Whites and Middle Whites, the herds of Sir Gilbert Greenall and Mr. Sanders Spencer were the more successful. Mr. H. C. Stephen won with Tamworths, exhibiting swine of special merit and excellent type. C.

GOSSIP.

Clayfield Stock Farm, the property of J. C. Ross, Jarvis, Ont., has been known for many years as a breeding ground for high-class Clydesdales, Shorthorns and Cotswold sheep. With the latter, Mr. Ross has been very successful in the show-ring the past two seasons, winning nine firsts out of a possible eleven at London in 1902, and eleven prizes at Toronto the same season; also won most of the first prizes at Toronto, 1903, as well as several at the International at Chicago. The flock now consists of about 75 head. The foundation was laid with ewes from such noted English flocks as those of Garne, Jacobs and Swanwick. Imported Garne rams are being used with success; one of the stock rams having never been beaten in the show-ring. The flock is looking hale and hearty. The Shorthorns number about 25 head, the foundation having been laid with stock from heavy-milking families, Scotch bulls of good breeding, being kept to cross upon them. Trout Creek Guard, imported by W. D. Platt, is now at the head of the herd, and is proving himself a good stock-getter; most of his calves being roans and of fine type. The brood mares, Bonny Lass and Clayfield Lass, are giving good returns to their owner. They are both from Lady Kerr 2515 (imp.), sired by Lord Fife (imp.). Lady Kerr's dam is said to have won 150 prizes in Great Britain, including several at the Royal. We noticed a very nice two-year-old filly from Bonny Lass, sired by Alexander's Heir, grandsire Prince Alexander, who was twice a cupwinner in Scotland; also a three-year-old filly from Clayfield Lass, and by Sir Richard (imp.). Mr. Ross informed the writer that both these fillies are for sale. There are others also here that will make good ones, and parties in want of such will do well to write for prices to Mr. Ross, who will describe them without exaggeration, as he is a man of few words, and reliable.
