Mrs. Bertiaux's Remedy for Erysipelas.

THE following testimonial in favour of the efficacy of this remedy has been received from William Caldwell Esq., Mayor of the City of Halifax, and is published for the benefit of those who may be similarly afflicted. Halifax, May 24, 1851.

To John Naylor Esq., Sir.—The cause of suffering humanity demands, I think, that every one who knows of any thing that will afford relief, ought to make it public. Believing this to be the fact, I hand you the following certificate of what has come under my notice, and you are at liberty to use it in any way that you may think proper. In March last, my wife was attacked with that dreadful disease, Erysipelas, in her leg. It inflamed and swelled to an alarming size, causing excruciating pain, rendering it impossible for her to put her foot to the floor, and was fast advancing upwards. Her case was one painful to look on. Having read in a newspaper of the beneficial effects of Mrs. Bertiaux's remedy, I advised her to procure a bottle from you, which she did, and the effect was miraculous; for in the short space of four hours, she was so far relieved that we were both quite astonished. She continued to recover gradually, and in a few days was quite free (and I believe and hope for ever) from that dreadful malady. W. CALDWELL.

Amherst Female Seminary.

PRINCIPALS, Mrs. C. E. RATCHFORD and MISS RYATES, assisted by several other competent Teachers, including a French Lady who has been for several years instructing on the "Ollendorff" system, in the United States.

The Institution was opened in January, 1850, and is now in full and efficient operation. The Proprietor is erecting a large addition to the dwelling house, which is to be finished and ready for the reception of pupils at the commencement of the term, 16th July next. Accommodation will thus be afforded for ten or fifteen additional pupils as well as the moral conduct of the young ladies entrusted to their care, as well as to their social intercourse when out of School, to merit the continuance of that approbation, of which they have already received such gratifying proofs.

Amherst is a remarkably healthy part of the Province, and in that respect possesses advantages over a Town residence, especially for children of delicate constitutions. No patient medical aid may be obtained if necessary, and no pains will be spared to promote the health of the scholars by proper exercise, and a gentle saddle horse is kept for the use of those young ladies whose parents may wish them to ride. The Seminary is situated within a few minutes' walk of four different places of public worship, and near to the Telegraph Station and Post Office.

JUST RECEIVED,

And for sale at the Book Stores of Mr. Graham, Mr. Fuller, and the other booksellers of the City. A PEEP AT UNCLE SAM'S FARM, WORKSHOP, FISHERIES, &c.

BY P. TOCQUE,

Illustrated with Engravings, price 5s., dedicated by permission to His Excellency Sir John Gaspard Le Marchant, Governor of Newfoundland.

Opinions of the Press.

Mr Tocque is a "Newfoundland" but knows more of us Yankees than most of us know of ourselves. His book is quite remarkable, it is full of information, and the very information needed to afford a just estimate of the country. Its statistics are abundant, but they are woven into sketches, personal and general, in such a manner as to relieve them of dullness. It treats of our manufactures, shipping, navy, public men, slavery, religion, and we know not what it omits. It ought to be a reliable volume.—Boston, Zion's Herald, May 20th.

"Such is the quaint title of a neat duodecimo volume, which we find upon our table. It is just what it professes to be, a peep at the Massachusetts corner of Uncle Sam's great homestead by a citizen of Newfoundland. Mr Tocque appears to have travelled with his eyes open, and between the covers of his book the reader can find a large amount of valuable and entertaining reading matter."—Worcester Daily Spy, May 20th.
