school that day, with her particular friend, need be. Sophia Lincoln, as to what should be bought with it. Finally they decided that a certain little work box, which they had often admired in the window of a fancy store, on the avenue, would be the best possible investment for the dollar. So, as soon as school was out, they started off together to make the purchase.

The fancy store was some distance down the avenue, and before they reached it they had to ing it to his father, asked, "Pa, who made this son I did not. And here I am. I am about to pass a group of tenement houses, where a always a crowd of children tumbling about the pavement, in front of these houses, dirty little ragamuffins, that Lucy had pitied many a time, they seemed so neglected and uncared for. Today there seemed more of a crowd than ever : and as the little girls drew near, they heard a pitiful crying from amidst the group. A forlorn looking little boy sat flat on the ground, in a nuddle of dirty water, and strewn around him were the pieces of a broken pitcher.

Lucy never could bear to pass by any body in distress ; so, although Sophia would rather have gone on, she stopped to inquire kindly what was the matter. A dozen voices clamored at once to tell her.
