

LISTOWEL STANDARD.

FRIDAY, SEPTEMBER 23, 1878.

TOWN AND COUNTRY.

D. L. K. Rine has returned to Toronto. GRANITE tea sets for \$2.50, at Bean & Geo's.

There are 132 pupils on the roll of the St. Mary's High School.

The residents of Poole and adjoining townships excused to Port Dover on Monday.

Mr. May's hand have a new uniform, which is said to give the boys an exceedingly "tony" appearance.

The by-law granting \$15,000 to Stratford and Huron railway was carried by 196, the township of Huron, Sept. 19, 1878.

To Rest.—For a term of years, two good farms. None but practical farmers need apply. For terms and particulars apply at the STANDARD office.

Cole's circus, after "doing" cities and towns in the Province, is now making a second tour, taking in the "small potatoes." It showed in Stratford on Tuesday last.

His Honor the Lieut.-Governor has been pleased to appoint William Lawrence, attorney of Stratford, to be a Notary Public in and for the Province of Ontario.

For MANTOBA.—A party of three individuals left Listowel per G. W. R., for Manitoba on Monday. Through tickets were obtained from Mr. J. Livingstone, town agent of the Western.

MONEY.—Money to lend on farm property at 7 1/2 per cent. Expenses moderate. Such sums as \$400, \$500 or \$1,000 can at any time be obtained at the above rate, or larger amounts if the security is good. Apply to R. MARTIN.

The "Scotch mist" which prevailed last week was rather severe on the Caledonians, both here and elsewhere. The Gaelic Caledonian Society, in consequence, postponed the annual games till Tuesday, 1st October.

SINGLE FARE.—The P. D. & L. H. R. are offering single fare tickets for the double journey to the Provincial Exhibition, and various local Exhibitions now ensuing. The Elms & Wallace "Dominion Exhibition," to be held at the Agricultural Hall on the 3rd and 4th October, is included in the cheap rate programme.

PEACH FESTIVAL.—A peach festival and musical entertainment is to be held in the Temperance hall on Monday evening next, under the management of Star of Hope Lodge. Luscious fruit, vocal and instrumental music, and other constituents of an inviting entertainment will be in order. A good time may be expected.

DEATH OF THE COUNTY CLERK.—Mr. Stewart Campbell, County Clerk of Perth, died at his residence in the township of Elnice, near Stratford, on Friday, 6th inst. Mr. Campbell has been clerk of this county since 1855, and has always given satisfaction in that position. He was buried on Sunday, the funeral being in the presence of the largest ever seen in this part of the Province.

A GENUINE SUNDAY SCHOOL.—On Sunday morning last a collection was taken up in the St. James Cathedral Sunday School, Toronto, in aid of the yellow fever sufferers in New Orleans, that amounted to over one hundred and fifteen dollars. With the offering from the infant class and others, this amount will yet be considerably increased.

PERSONAL.—Rev. W. McGregor and Mr. E. C. Clark, visited Montreal last week. They returned on Saturday. Mr. J. E. Capron, of the Golden Lion, who has also been down the St. Lawrence, arrived home during the early part of this week. The latter gentleman during his stay in Montreal, attended the General Conference of the Methodist Church of Canada, which has been in session in that city.

LORD DUFFERIN.—Great preparations are being made at Toronto for the reception of Lord Dufferin on the occasion of his final visit to the Queen city of the west. His Excellency is expected to arrive tomorrow. Next week he will formally open the Provincial Exhibition. Doubtless many will improve this last chance of seeing him ere he bids farewell to Canada.

PROVINCIAL EXHIBITION.—Mr. J. Livingstone jr. is prepared to furnish return tickets from Listowel to Toronto at single fare for the double journey, good during the whole of next week, to parties visiting the Provincial. These tickets include an admission coupon to the Exhibition grounds, at an extra charge of 25 cents. Considerable trouble and annoyance may be avoided by securing these "through passes" before starting.

SEVEN YEARS' RETIREMENT.—At Stratford, on Saturday, the rather, Charles Wellington Douglas, the notorious thief who robbed Mr. P. O'Rourke near that place, a short time ago, was sentenced to seven years in the penitentiary. Detective Heenan, of the G. T. R., discovered the hiding place of the prisoner, and brought him from Grand Rapids to Stratford for trial.

LISTOWEL TALENT ABROAD.—The Gaelic Herald says the following graceful tribute to some of Listowel's musical daughters on the occasion of her appearance at the recent Caledonian concert in that town: "Miss Zimmerman, of Listowel, has every reason to be pleased with her first appearance in Gaelic song. Possessed of a sweet and flexible voice, she fairly enraptured the audience with some of her Scotch melodies, and has no doubt left such a reputation as will ensure her another call to Gaelic."

LACROSSE MATCH.—An exhibition game of lacrosse will be played on the agricultural grounds this (Friday) afternoon between a team of the Six Nation Indians from Caledonia and the Listowel Lacrosse Club. Indians will appear in full war costume. This interesting and exciting game is well worth seeing. Ball to be faced at 2:30 p.m. The band will be in attendance. In the evening the Indians will give one of their famous concerts in the Grand Central Hall.

AN elector of the "noble West Ward" declares that Tuesday's work did not redeem the country from the grasp of the "no-policyists." Since the 17th he has been unable to discover a potato-bug within his ward. No doubt the error of their old ways, and embrace the enlightened principles of their occasional neighbors.

NEW FLOURING MILL.—Messrs. Moyer & Bricker have everything about completed in connection with their new mill on Inkerman street, and are now commencing operations next week. A very considerable outlay has been invested by these gentlemen in the erection of a brick mill and in fitting it up with entirely new machinery, and we trust that their investment and enterprise will be repaid by a liberal patronage from the community to whose wants they are prepared to cater. Both farmers and townpeople will no doubt be benefitted by according them a good support.

FOR THE PROVINCIAL.—It affords us not a little pleasure to be able to state that Listowel will be worthily represented in the manufacturing department of the Provincial Exhibition. On Saturday last a Bed-room Suite was on exhibition at the furniture warehouses of Messrs. Hessa Bros., which was something worth seeing. The suite consisted of a bedstead, dressing case, washing stand, a small table and a couple of chairs. The different pieces were manufactured from walnut with French veneer trimmings, the bedstead and dressing case being ornamented with corinthian scroll work and elegant figure carving. The dressing case contains a plate-glass mirror 32x72 inches, the extreme height of case being nearly 12 feet. Altogether the suite got up with a degree of artistic taste that is certainly a credit to the firm, and we have not the least doubt but that it will be one of the prominent features at the Provincial Exhibition. On Saturday it was shipped to Guelph, where it is

being shown this week. Mr. Andrew Zwald, wood carver of this town, is also a contributor to the Exhibition at Toronto, his exhibit being an artistic specimen of ornamental wood carving in the shape of a box, the exterior of which is profusely decorated with birds and flowers carved from a solid block of native wood. We may have occasion to again refer to the above articles, meanwhile we wish our enterprising townsmen success at the great fair.

DONEGAL.

One of Mr. Gilmer's children was scalded severely on Tuesday evening of last week, but it is thought that nothing serious will result from it.

A daughter of Henry Doering, Esq., of Milverton, got caught in the reaper the other day and had her legs badly cut, besides two of her fingers taken off. She appears to have been along with her father for the purpose of taking the grass out of the guards, and while doing so the horses moved on, with the result above mentioned.—Cox.

MORNINGTON.

CHANGE OF DATE.—Owing to the Mornington fair falling on the same day as that at Listowel, the date has been changed to Wednesday, Oct. 2.

A Heavy Loss.—One day last week, Mrs. James Martin, of Millbank, went to Stratford, and drew \$200 from the Montreal bank, which had been sent to her by her husband, who was away in the States. She tied the bills up in her handkerchief and put it in the pocket of her dress, planning to take it to a hotel for dinner, and a few minutes afterwards discovered that her money was gone, whether stolen or lost, or if her pocket also did not know. At last accounts the money had not been recovered.

GREY.

BURGLARY.—One night last week some scoundrel entered the house of Mr. Elijah Halpenny, who lives near Cranbrook, and took away a desk containing some \$250. Next day the desk was found broken and emptied, about two or three hundred yards from the house. How the scoundrel is getting a little common in Grey.

CORRECTION.—The following business was transacted at last meeting of township council, held Cranbrook on the 19th inst.: \$25 was granted as charity to widow Wilton; widow Roland was granted \$10 charity. By-law read and passed, levying one mill on the dollar for township rate and one-half mill on the dollar for railway rate for the current year. By-law read and passed levying school rate.

Walter Oliver was authorized to have road repaired at sidereal 5, between cons. 12 and 13. Accounts paid: Thos. Johnston, work on boundary Grey and McKillop, \$32; Thos. Calder, part payment contract, cons. 11 and 12, \$30; F. Coats, part payment contract, cons. 11 and 12, \$20; W. R. Wilson, scrapers and repairs, \$18.50; John Coher, gravel, \$15; Jos. Baker, repairing scraper, 60 cents; R. Lang, contract bridge, cons. 9 and 10, \$175.

HURON ITEMS.

A few days ago a very sad accident occurred near Bayfield, by which Mr. John Morgan lost a child. A picnic was in progress at Middleton's Point, and some of the children expressing a desire to go over, Mrs. Morgan gave them permission. Where the river enters the harbor a new bridge is in course of construction, and the children have been in the habit of crossing and recrossing on the timbers. One of the children, with another between two or three years old in her arms, started to cross this structure, and when partially over, the other sister called for her to come back. Turning around to do so, she was unfortunately enough to fall into the water with the child. The other in trying to render assistance, also fell in. Their cries attracted the attention of Mr. Morgan, who succeeded in rescuing the two eldest. One of those at the picnic witnessed the affair and ran down, stripped off as he ran, and jumping into the water, rescued the child. Medical aid was promptly on hand, and the child speedily brought around, but it only lived until two o'clock on Thursday afternoon, when it died.

The Teacher's Association of North Huron will meet in Brussels on Thursday and Friday, Oct. 10th and 11th.
