

MOTOR TRUCKS DROPPED TWO IN CITY LEAGUE SATURDAY.

Cubs Drop out of Race, Leaving Circuit a Three Team Affair; Dominion Steel Still Leading—Two Exhibition Games on Monday

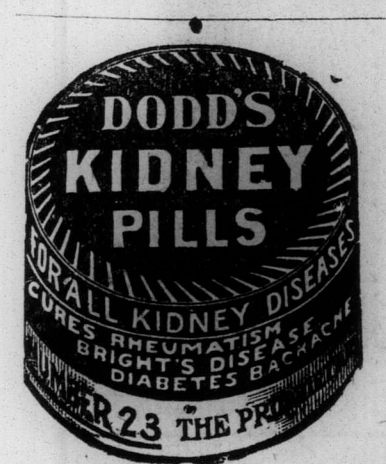

As the result of Saturday's games in the city baseball league the standing of the three clubs now remaining in the race for honors was materially changed. The Motor Trucks who occupy second place played two games and were defeated in both contests. The Holmdale Cubs have dropped out of the running and the best players have been absorbed by the Cordage Company. In the first game, the Motor Trucks had the contest practically sailed away with a lead of four runs to none up to the fourth inning when the re-juvenated Cordage players came suddenly to life and scored two runs followed by another in the fifth and more in the sixth, a total of five runs that proved sufficient to overcome the lead of the Motor Trucks. The game provided some real baseball being featured by three snappy double plays and a spectacular catch by Summerhayes of a foul that came down barely grazing the screen in front of the grandstand. Both teams presented several new players and were greatly strengthened. The Motor Trucks played two men recently secured from London, McElvie a third baseman, and Arnott who plays equally well in either outfield of behind the plate. These two products of the Forest City, rapidly displayed their ability as hitters by tapping the first ball pitched to them in their initial appearance at bat, for two bases each. The score:—

Motor Trucks defeated Cordage by a southpaw flinger from London, who, with Arnott, formed the battery for the Motors, they were unable to retrieve the loss of the first game. In order to allow a number of the players to catch a train for London, the game was called at the termination of the sixth frame, after the game had been in progress fifty-five minutes. The Cordage pushed a rally in the eighth inning, the Dominion Steel twirled an excellent game striking out nine men and allowing but three hits. Del Orecutt showed the fans that he was by no means a has-been and displayed Canadian League tactics when, after knocking out a two base drive in

the third inning he stole home with two men out. McKelvie enjoyed a good day with the willow, securing a triple and a double in three appearances at bat. Stewart and Armstrong figured in another brisk double play in this game, the performance occurring in the last inning and making the final out. As the Motor Trucks and the Cordage Company have strengthened their respective aggregations in a considerable measure, and as a result of the two victories of the Cordage on Saturday afternoon and Monday morning, the race has all ready tightened up considerably and from now until the conclusion of the season, a much better and more interesting brand of baseball should be served up to the fans.

Monday's Games.
The Dominion Steel on Monday morning went down to defeat at the hands of the Cordage team, who staged a rally in the eighth inning and snatched an apparently sure victory from the hands of their opponents. The Muntion men started strong, tallying twice in the first inning, and once each in the fourth, fifth and sixth. The Cordage pushed stray runs across the pan in the fourth and sixth frames, but until the fateful eighth Harwood appeared to have his opponents well in hand. The entire aspect of the encounter was altered, however, in the penultimate spasm, when the Cordage came to life with a rush, tallying five times. Burke and Bradley led off with clean singles, and after Ed. Sears had fled to left field, Lee took the ball between the shoulders as transportation to first base. Doyle booted Frank Sears' grounder, and Johnson followed up the advantage with a timely single, three runs crossing the pan upon these two plays, and Lee bringing in a fourth when Hurley and O'Connor were safe upon infield grounders, Johnson persisting meanwhile, when he was caught between third and home and run down. With Hurley on third, Tillman heaved the ball into deep left field, allowing the fifth runner of the inning to tally. The score:—

OUTPOSTS MOVED FORWARD
By Stewart Lyon.
(Canadian Correspondent With the Canadian Forces.)

Canadian Headquarters in France, Aug. 6.—Following up the successful advance on Saturday afternoon in the region of Cite du Moulin, another advance was made last night, which carries our outposts up to main line of the enemy's defence on the railway enlankment to the west of Lens. The men of two Canadian battalions, in a dashing attack, captured a crater occupying road to the east of Cite du Moulin, and a crater to the north, on the Lens-Lille road, which passes through du Moulin.

For several days the enemy had maintained strong posts in these craters, whence harassing rifle-rainade fire was directed at our outposts' line at night. The attack, for the most part, was carried out with bombs, the approach in both cases being through a maze of partially destroyed houses, which did not lend themselves to the use of the rifle. When the bombs began to fall the enemy did not stay to fight it out, but retired towards his main positions leaving the craters to be incorporated in our advanced lines. An attacking party then advanced to two tunnels known to be occupied by the enemy, and bomb them, inflicting, it is believed a considerable number of casualties on the enemy.

LEAFS TOOK TWO FROM THE ROYALS

Toronto Won Both Morning and Afternoon Games Yesterday

Toronto, Aug. 6.—The Leafs took both ends of the double bill from the Royals at the Island Stadium on the holiday by scores of 7 to 6, and 11 to 2 for the morning and afternoon games respectively. Hoyt and Thompson were the oncoming twirlers for the morning contest, while Warhon and Stryker pitched in the afternoon.

The Royals went right after Thompson in the first game and notched a run in the opening inning. Successive passes to McAuley and Moran, LaJoie's error and Smith's single doing the trick. The Leafs erased it up in the second when Allenberg and Hoyt's sacrifice drove a pass and LaJoie's hit safely. A walk to Thompson forced in Allenberg, while "Lena" counted on Truesdale's out. The Royals came through with three in the fifth on McAuley's single. Zimmerman's triple, Schultz's error and Cather's single. Jacobson's single, following Truesdale's double, produced a Toronto run in the last half of the stanza. The Leafs came strong in the seventh, and by the strike of three runs went into the lead. LaJoie opened with a hit and Thompson followed suit. Truesdale fled to left, but Jacobson's hit scored LaJoie. Allenberg and Hoyt's sacrifice drove the double steal, the former scoring. Larry tried, scoring Whitman. The Royals obliterated the Leafs' advantage in the eighth on Slatery's double and Hoyt's single. Zimmerman's error, Blackburne's sacrifice and Thompson's double produced what proved to be the winning run.

Good Crowd in Afternoon
Before the best crowd of the season the Leafs counted the delivery of Stryker for fourteen hits and had little difficulty emerging on the top of a one-sided game. Joe Schultz leading the Leafs with a homer and three singles. Six of the eight hits corralled by the Royals came in the two last innings, when Warhon eased up. Leafs grabbed their scores in bunches. In the second, LaJoie, Schultz and Allenberg hit successively and Larry and Joe scored. Blackburne's single. LaJoie's force counted for Allenberg. Singles by Truesdale, Jacobson and Whitman. LaJoie's sacrifice fly and Schultz's home gave the Leafs a quartet of counters in the next inning. Jacobson singled in the fifth. Whitman sacrificed and Schultz gave Toronto one more. The sixth saw the Leafs finish their offensive activities by scoring three times on LaJoie's single, Cather's error, a wild pitch, a double steal and Whitman's drive to centre. The Royals' only counts came in the eighth on singles by Slatery and Stryker. McAuley's double and Moran's sacrifice.

Baltimore, Aug. 6.—Baltimore came from behind and took the opener's against Rochester to-day by 9 to 6. Bues cleaned the bases with a triple in the eighth. Manager Dunn has been suspended for his run-in with Umpire McBride on Saturday. Score:—

Rochester	0	1	3	1	0	0	1	0	6
Baltimore	2	0	0	1	0	1	5	x	9

Batteries—Schacht, Smith and Sandberg; Newton and McAvo, Schaufele.

At Richmond.
Hummel and McDonald hit home runs in succession during the second inning to-day, but after that Adams was never in trouble. Richmond defeated Buffalo by 9 to 4. Score:—

Buffalo	0	3	0	0	0	0	1	0	4
Richmond	0	5	2	0	1	1	0	x	9

Batteries—McCabe, Jaynes and Onslow; Adams and Reynolds.

THE TURE.
"Princess Mary," owned by Mr. J. P. Buck and driven by Mr. Abe. Johnson, won the 2:10 pace purse, \$500, at Mt. Clemens, Mich., last Friday. The mare won the last three of five heats, time 2:11 1-4, 2:12 1-4, 2:10 1-4, 2:11 1-4, 2:11 1-4. She set the second heat by a nose, through being interfered with, by which she lost six or eight lengths. The race was a big betting affair and the Canadian visitors are reported to have profited by it. Princess beat among others, "Tommy D", a very fast Ohio race horse, also "Prince Rupert", who won at Detroit grand circuit meeting the week before, making a record of 2:04 1-4. She will now race five times in Indiana.

CANADIANS ACTIVE Carried Out Clever Advance In Most Successful Fashion

London, Aug. 6.—Again to-day the British forces operating against the important coal city of Lens made further advances west and south-west of their objective, according to the British official communication issued this evening. The advance on the west was made by two battalions from the Canadian unit. Following up their success of Saturday night, the Canadians captured and consolidated two enemy craters, from which the Germans had been firing hand grenades at the outpost lines nightly. The British official report said: "We advanced our lines to-day south-west and west of Lens."

THE problem of meeting the enormous cost of this war is two-fold. Not only must Canada get the money—most of it, of course, as loans—but she must get as much of it as possible here in Canada.

We can carry the war-debt if the bulk of the interest goes to Canadians, and so is used again in the country's development. But it will be a serious matter for us if a large proportion of the interest has to be sent outside the Dominion.

For the sake of our own and our children's future this drain on our resources must be avoided! Canada's financial freedom can and must be maintained! An average saving of 15 cents a day, invested by each man, woman and child in Canada in War Savings Certificates, would enable us to carry the whole cost of the war. To approach this average, hard work, thrift, self-denial and sacrifice are required of every citizen.

For each \$21.50 you lend the Government now, you will receive \$25.00 in three years—or you can get your money back at any time. Certificates are issued in denominations of \$25, \$50 and \$100, and may be purchased at any Bank or Money Order Post Office.
