Citizens of this town can make our village more beautiful by burning all rubbish in their yards and not allow it to litter the streets. Don't throw paper wrappers and envelopes on the streets if you expect to keep them looking nice.

The fine weather of the last few days is causing some of our industrious housewives to turn the family domicile inside out. It is almost certain an epidemic of general house cleaning will soon reach our peaceful village.

The Women's Missionary Society of the Methodist Church Waterdown will hold their annual Easter Thank-offering Service on Sunday next Mar. 28th at 3 o'clock in the afternoon. Rev. D. A. Robb of Dundas, will occupy the pulpit. A cordial invitation is extended to all who wish to attend this service.

The Women's Institute has decided to collect old papers, rubbers, rags etc. as a means of raising money for furnishing the Memorial hall! Mr. Wm. Drummond Sr. has loaned his barn as a store-room. Will those who have no means of taking them to Mr. Drummond's kindly save them for the collectors who will call in the near future.
