THE BY-LAW CARRIED

Voting on the by-law to authorize the raising by debentures of a further sum of \$5,000 for the completion of the town hall took place on Monday, and the by-law was carried by a majority of 65. Only 8 opposed it in P.S.D. No. 1 and 9 in No. 2. The total vote was small, but this is attributable largely to the fact that the result was accepted as a foregone conclusion.

This positive, clear cut demonstration of the will of the people in this matter should be frankly accepted by all parties, and all should join heartily in giving their moral and financial support to an undertaking in which all are alike interested.

Athens is going to have a public building worthy of the progressive spirit of the village, and a few dollars more than the first estimate will not put any citizen on short allowance.

The council has proved to be a business council, and now with clear sailing and an uninterrupted line of communication with the base of supplies, we may expect the building to be completed in the shortest possible time.

VILLAGE COUNCIL

The municipal council of Athens met in special session on Friday evening to consider a petition from the required number of the occupiers of dry goods, boots and shoes, tinmiths, and barber shops, praying the council to pass a by-law to close all shops named from the hours of seven o'clock p.m. until five o'clock a.m. on the following day of every Monday, Wednesday and Friday; and from nine p.m. until five a.m. on every Tuesday and Thursday during the year, excepting during the month of December and evenings preceding a public holiday. A by-law in accordance with the petition was read three times and passed, a clause being inserted repealing by-law No. 105 and such portions of by-law No. 66 and amending by-laws Nos. 69 and 74 as are inconsistent with this by-law. The by-law to come into force on the 28th Sept., 1904.

On motion, the clerk was instructed to notify all parties affected by this by-law, in writing, of its having been passed.

The council then adjourned to meet on Sept. 30th to dispose of debenture by law, strike the rate of taxation for 1904, and appoint a collector of taxes for 1904.

B. LOVERIN, Village Clerk.

This is Sad

"Old Timer" in the Rideau Record says: Smith's Falls is going through a state of transition. Our turkey fair is gone; a circus wont come near us and all the holidays come and go without any "doings" locally. Labor Day, the greatest day in the year, except pay day, is a dead letter in this town and the 24th of May cannot even raise a fire-cracker.

Permanent Muscular Strength

There is this to be borne in mind in these days, when so many young men are giving so much attention to physical development, in gymnastic and athletic exercises, that there cannot be permanent muscular strength where there is not blood strength. Hood's Sarsaparilla gives blood strength, promotes digestion and assimilation, and builds up the whole system.

Praise for the Karn Piano

Extracts from the Mail and Empire, Sept. 1st and 3rd

"There is always a crowd around the fine exhibit of the D. W. Karn Piano Co., and every day sees an ever increasing interest being taken in this handsome exhibit. This is an undoubted sign of merit. The crowds are attracted and held there by the array of beautiful instruments on view. The mighty stream of visitors surging through the Manufacturers Building picks out from among the many the Karn display as being the premier exhibit on the grounds. Neatness and artistic beauty characterize this display, and one ceases to wonder at the great fame attained by this company in the musical world, when one sees the beauty of their instruments and hears the bewitching music they are capable of producing. People go away and tell their friends, and of course the next day sees an additional number of admirers. Everybody knows that no other make of piano or organ equals the article manufactured by the Karn Co., and everybody tells everybody else. Thus the Company's fame spreads from tongue to tongue until the name Karn is becoming one to conjure with in the musical world. Mr. D. W. Karn, the founder of this famous firm, is one of the modern men of success. He oversees the entire business of the company. To his great business management is due the immense success which the company has achieved. The company has a branch in London, England, and another in Hamburg, Germany, and in both these foreign fields a large trade has been built up. They manufacture the finest grade of pipe and reed organs made, as well as the best pianos, and their business has grown to such a wonderful extent during the last few years that it is almost impossible to supply their wholesale trade. No visitor to the exhibition should miss seeing this splendid display." Those who do not visit the Toronto Exhibition should see this Display of Karn Goods at the Prescott Fair and also at Delta Fair. This display will be in charge of MR. G. L. RICHES, their agent at Brockville.

Brockville Cheese Board

1,036 white and 2,045 colored were registered on Thursday last. The cable was 42s for white, 49s for colored. Bidding opened at 8 3/4 and went up to 9c, at which price 800 boxes were sold before the Board adjourned.

Major J. P. Redmond of Lansdowne, advocated the establishment of an electric line of railway from Toronto to Montreal and at his request the president nominated as a deputation to wait upon Mayor Geash of Brockville with regard to taking measures for forwarding such line the following deputation, viz: Messrs. Webster, Derbyshire and Bissell.

Everyone should attend Delta Fair next Tuesday and Wednesday, Sept. 27 and 28.
