### Pastor McMillan's Lectures.

Taking his text from Daniel 2:45, Pastor McMillan delivered in some respects a remarkable lecture on 'The Kingdom of God' last Sunday afternoon at the Opera House.

He quoted several texts of scripture to show that God's kingdom was established on earth six thousand years ago with Adam as king and that Adam's commission was threefold. First, to have dominion over the earth; second to multiply and fill the earth; and thirdly, to subdue the earth. The speaker said Adam had been true to God, the earth would be filled with perfect beings enjoying conditions as perfect and blessed as God's heavenly creatures do. There would be no poverty, sin, sickness, pain or death; but joy, peace and happiness would fill the whole earth which would be like the Garden of Eden. Thus, he said, God's kingdom would have filled the earth, and His will would be done here as in Heaven.

He then pointed out how sin brought Adam's downfall, expulsion from Eden and how the whole race of rebels have been under God's wrath ever since.

He referred to God's dealings with man from the fall, down to the days of the Jewish kings, when the typical kingdom of God was established, and how it was overthrown in the days of Zedekiah (the last Jewish King) 606 years before Christ.

At that time God took away the kingdom from the Jews and said, 'I would punish them as you have, for they have been under God's wrath ever since.'

ing which time the right to rule was invested in the Gentiles. He then proceeded to prove that seven times meant seven symbolic years of 360 days each making a 2520 days. He quoted from Ezekiel 4:6 to show that a day was sometimes used to mean a year in prophetic matters. Hence he said the period of Jewish punishment began 606 years before Christ and should end 2520 years later namely 1914 A.D. Therefore, Gentile kingdoms are now due to be overthrown. Here, the restoration of the Jews was referred to—quoting from Jesus' words that Jerusalem (the Jewish nation) would be trodden down (persecuted) till the times of the Gentiles (the period from 606 to 1914) would be fulfilled. He then said this year liberated the Jews the same month (September 1914) that the 'Gentile time' expired. The prospect of an early Jewish state in Palestine is bright, according to present developments.

He spoke at length about the present war-torn world and its outcome—the complete destruction of all earthly kingdoms to make way for Christ's kingdom, that will bring deliverance to the poor and oppressed world.

He pointed out how God has been dealing with Christians during the past 1800 years, getting them ready to take the Kingdom with Christ their head. He further showed how the kingdom has been in the hearts of believers all down through the ages in the sense that the principle of God's government ruled in their hearts and lives; and thus they were learning to obey God's laws prior to their coming to the Kingdom. He then proceeded to show that the present war was mentioned by Daniel and later by Jesus, as the last war, and that it would prepare the world for God's kingdom. Before will then be bound and Christ's glorious reign begin. The knowledge of God will fill the whole earth and His will be done on earth as in Heaven.

He referred to many prophecies relative to Christ's reign and its glorious results, ending in the complete emancipation of mankind from sin and death.

In conclusion he referred to the parable of the sheep and the goats as a picture of the kingdom world and its consummation. Christ the King is on the throne and the church, his companions are with Him, and all nations before them. Then comes the end—the separation of sheep and goats. The goats, the symbol of sinners, are destroyed; the sheep being a symbol of their destruction. The sheep representing the righteous, are given the kingdom prepared for them from the foundation of the world; that is, the Kingdom ruled by Adam and received by Christ, who said He came to save that which was lost.

At the evening meeting Mr. MacMillan proceeded to show at length,

**The basis of a good cup of Tea is MORSE'S TEA.**

**The foundation on which its success rests is Quality & Flavour.**

### A Visit to the Older Boys' Conference

WITH THE WOLFVILLE CONTINGENT.

The Older Boys' Conference, held at Halifax on March 5th and 6th, was attended by the following from Wolfville: Rev. W. L. Archibald, Rev. W. H. Robinson, Rev. I. S. Nowlin, Rev. G. W. Miller, C. A. Patriquin, Murray Millett, Murray Beardsley, George Nowlin, Leander Thurber, Paul Tingley, Theodore Stackhouse, Harold Wilson, Larimer Simpson, Donald Grant, Andrew Watson, Chas. Schurman, Harold Weatherbe, Claude Smith, Albert Corey, Carl Angus, Harold Johnson, Stanley Morrison, Angus Elderkin, Frances Archibald and R. Percy Brown.

The Baptist, Methodist and Presbyterian churches, the Tabernacle, the College and the Boy Scouts were represented by delegates.

Every county in Nova Scotia and most of the towns were represented, Wolfville having the largest representation of any except Halifax.

On arrival in Halifax on Friday morning the delegates were met by the Halifax boys and escorted to the headquarters at Charles St. church. Here they were assigned to their respective billets, each boy being handed a card introducing him to his hosts.

Friday afternoon was spent in visits to the N. S. Technical College which was both interesting and instructive; and to the Dry Dock, where an armed escort accompanied the party around the Dock and on board the Belgian Relief Ship 'Camino.'

The regular program of the Conference started at 7:45 that evening and was as follows:

7:45, music; 8:00, Address of Welcome, Mr. D. McGilivray; 8:20, Responses by three Boys appointed by nominating committee; 8:35, Address, Taylor Statten, national Boys' work secretary; Y. M. C. A.; Solo; 9:00, address, Rev. A. B. Cohoe; 9:30, organization of Conference; 9:45, Closing.

At the organization Mr. Murray Millett, of Acadia, was elected President of the Conference and presided most acceptably at all remaining sessions.

The sight of the large auditorium of the church filled with almost 500 boys, whose bright, intelligent eyes were fixed intently on the speaker, was one which once seen could never be forgotten.

Can we ever estimate the tremendous power for good such a body of older boys, whose ages range mostly between 16 and 20 years, can exert on the future of the whole Province over which they are scattered.

The program for Saturday morning was as follows:

9:00, Address; 9:30, Paper, 'The Organized Sunday School Class for Boys'; 10:00, Address, 'The Sunday School Paper, Making the Sunday School interesting for Boys'; C. E. Hills, Halifax; 9:50, Prayer, 'Service for Boys'; 10:00, Talk, Mr. Alexander; 'The Boy Scout Movement'; Colonel Oakes; 10:00, Conference Photograph.

It is hoped to have a copy of this photograph on exhibition in Mr. Graham's window before this notice is in print.

**SATURDAY AFTERNOON.**  
1:30, Music; 1:35, Address: 'Canadian Standard of Efficiency Test'; Taylor Statten; 2:15, Address only, 'How to chart Boys according to the Standard Tests'; 2:15, Address to Boys; John L. Alexander; 4:00, Recreation Period, Athletic meet in Y. M. C. A.

About 4:30 p.m. most of the Boys formed a squad and under Mr. Murray Millett and Harold Johnson marched across the Citadel and through parts of the city to the Y. M. C. A.

**SATURDAY EVENING.**  
6:00, Banquet; 7:00, Toasts and program around Banquet Table. Toast Master, Mr. A. S. McAllister.

A most generous supply of eatables was set before the Boys and full justice was done. As all could not be seated at one time a slight delay was caused in the proceedings. This was filled in by the various College yells, and certainly some hideous sounds were produced. Acadia was well to the front.

The toast to 'The Empire' was proposed by Mr. F. W. of Halifax, and responded to by Mr. Murray Millett in a rattling good speech.

The toast to 'The Ladies' was proposed, and responded to by Rev. I. S. Nowlin, of Wolfville.

Mr. Alexander closed the evening's entertainment with an address that combined interest, amusement and instruction.

On Sunday morning after a short meeting of the delegates to prepare resolutions, they dispersed to attend various church services throughout the city.

The Conference culminated at the meeting which was addressed by Mr. Alexander at 3:30 Sunday afternoon. This was a 'Forward Step' meeting at which each boy was invited to pledge himself, in writing, to some forward step.

The whole church was crowded at 7 p.m. when the ordinary services were held. The boys and leaders occupied the body of the church and the rest of the congregation filled the galleries and adjoining hall.

Mr. Alexander was the principal speaker, and was in every other occasion, listened to with the closest attention.

This meeting and the Conference closed with the boys and leaders formed in a great circle entirely round the church singing 'He is the Light of the World.'

No attempt has been made in the above notes to discuss the subject matter of the Conference. It is hoped that this will be done at a public meeting to be held at an early date.
