

## LIKE THORNS IN THE FLESH

Are the Sharp Twinges and Tortures of Rheumatism—Dr. Williams' Pink Pills a Certain Cure.

The twinges and the tortures of rheumatism are not due to cold, damp weather as so many people imagine. Rheumatism comes from poisonous acid in the blood. The pains may be started by cold weather, damp weather or by keen winds. There is only one way to cure rheumatism. It must be treated through the blood. All the liniments and rubbing, and so-called "medical treatment" in the world do not cure rheumatism. The acid that causes the disease must be driven out of the blood and the blood enriched and purified. It is because Dr. Williams' Pink Pills make new, red blood that they have cured thousands of cases of rheumatism after all other treatment had failed. As a proof of what Dr. Williams' Pink Pills will do even in the most severe cases of rheumatism, the case of Mr. David Carroll, a well known furniture dealer of Picton, N. S., may be cited. Mr. Carroll says: "I have been a most severe sufferer from rheumatism, and in the hope that some other poor sufferer may find relief from my experience I gladly write you of the benefit I have received from Dr. Williams' Pink Pills. The trouble settled in my shoulders and down my sides and at times I was quite unable to raise my arm. I was attended by a doctor, but as I did not appear to be getting any better I sent for a so-called electric belt for which I paid \$40.00. It did not do me any good and then I tried another remedy, but without any better results. A friend asked me to try Dr. Williams' Pink Pills, and I got three boxes, by the time I had used them all I found the stiffness and pain less severe, and I got another half dozen boxes. When I had taken these every symptom of the trouble had disappeared and in the two years that have since passed I have had no return of the trouble. I believe there is no other medicine equal to Dr. Williams' Pink Pills for curing this most painful trouble, and I have recommended the Pills to others who have been benefited by their use."

Dr. Williams' Pink Pills not only cure rheumatism, but all the other diseases due to poor watery blood, such as anemia, indigestion, nervous disorders, neuralgia, St. Vitus' dance, paralysis, and the ailments of girlhood and womanhood, with their headaches, backaches, side aches and attendant miseries. Only the genuine Pills can do this and you should see that the full name, "Dr. Williams' Pink Pills for Pale People," is on the wrapper around each box. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

## CZARINA A SAD FIGURE.

Wife of Russia's Ruler is Embodiment of Melancholy.

The Czarina is certainly one of the saddest figures in the Russian world. Her face has melancholy and resignation. Brought up in the narrow atmosphere which surrounded her mother, the Princess Alice, she had a youth full of depressing incidents. She was taught to be extremely frugal, to content herself with a few shillings a week as pocket-money, to examine into the possible results of all her actions and to find a reason for all she did. This scrupulousness led to an immense amount of hesitation as to the change required in her religion when she married the present Czar, and she was miserably unhappy when the change took place. The Czar begged her to marry him long before she would consent. He used to follow her about in his patient way whenever she stayed with her sister, the Grand Duchess Serge, and steadfastly refused to accept her "No" for an answer. Now, however, she has become more Russian than many Russians. She has superstitious and dreams, and this melancholy characteristic, even in her girlhood, has deepened until her life is one long sadness.

## INDISPENSIBLE TO MOTHERS.

"I am satisfied that Baby's Own Tablets are indispensable to mothers," says Mrs. Abraham Boucher, Pierreville Mills, Que., and she adds: "Before using the Tablets my baby was cross, peevish and not thriving well; but the Tablets have worked a great change and my little one is well and happy." This is the verdict of all mothers who have used these Tablets. And better still, mothers have the guarantee of a government analyst that Baby's Own Tablets are absolutely safe— they contain not one particle of opium or poisonous soothing stuff. Sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## DEMANDS OF TURKISH WOMEN

Want Home Life as It Obtains in Other Countries.

One of the most difficult questions which will have to be solved by new Turkey is that of the future of Turkish women. It has already given rise to considerable discussion, and will sooner or later become a national question.

For many years among the better classes there has been a steady movement toward emancipation, and the old Turkish life has practically disappeared in all the houses of the educated people. The change came with education, as the daughters of the house were trained by foreign governesses. They began to read foreign literature and papers, and brought up their children better than themselves, with the result that no family of any consequence keeps up the old Turkish customs in their entirety. Thus very few modern Turks have more than one wife, the life in their houses is quite European, including their dress, mode of living, food, etc. Only out-of-doors do they wear the veil as before.

But the women want more; they want to institute home life, and many have done so already. They also desire to receive visitors without restriction, and adopt more becoming dress in public. The educated Turks have no objection to this, provided the change is not too quick, as they also have mixed in foreign society and feel the want of ladies in Turkish society. If it remained with this class alone the change would come rapidly, but there are the common classes and the country people, who cannot understand it, and can never imagine any change by which their women folk should be anything else than what they have been for centuries. And it is noteworthy that in the provinces that whenever reactionaries have tried to start a movement against the constitution they have always declared that one of the first objects of the constitution would be the complete emancipation of the women and their going about unveiled, and this has never failed to excite the people, as was the case at Medina, where the situation was saved by the arrival of a number of troops and the arrest of the agitators. This is the reason Prince Sabah ed Din in his speech last week, specially spoke to women, counseling prudence and moderation.

## ENOUGH TO WAKE THEM.

"It's wonderful," said Dubley, "how wide awake the Japanese have become in recent years." "Oh, it's not so wonderful," replied the observant man, "when you consider that they have an earthquake every night or so in their country."

In the Autumn Rheumatism is so general that all our readers so suffering will be glad to hear that a letter addressed to The Dr. Williams' Medicine Co., Brockville, Ont., will be to their advantage. Write to-day.

## DISAGREABLE DIFFERENCE.

"Why is a gun like a cat?" asked the conundrum fiend. "I dunno," replied the victim. "Because they both go off." "But there's a difference." "What is it?" "The cat comes back."

It is an Officer of the Law of Health.—When called in to attend a disturbance it searches out the hiding-place of pain, and like a guardian of the peace, lays hands upon it and says, "I arrest you." Resistance is useless, as the law of health imposes a sentence of perpetual banishment on pain, and Dr. Thomas' Electric Oil was originated to enforce that sentence.

As a pleasant-faced woman passed the corner Harris touched his hat to her and remarked to his companion:—"Ah, my boy, I owe a great deal to that woman." "Your mother?" was the query. "No; my landlady."

Regarded as one of the most potent compounds ever introduced with which to combat all summer complaints and inflammation of the bowels, Dr. J. D. Kellogg's Dysentery Cordial has won for itself a reputation that no other cordial for the purpose can aspire to. For young and old suffering from these complaints it is the best medicine that can be procured.

## PEARLS OF TRUTH.

Being sensitive is easier than being sensible. Trouble soon fades away; and dies if neglected. He who sees no good in others has no good in himself. Money may buy a house, but it cannot purchase a home. Even if you are short, it's no good making a long-face over it. Aim high, if you would succeed, but be sure your gun is loaded. How often is "conscience" merely another name for "cowardice"? In a world full of roses, why be continually looking out for the thorns? A foolish girl may make a lover a husband, but only a wise woman can keep her husband a lover.

## WHAT NEGLECT DID FOR HIM

JAS. E. BRANT SUFFERED TORMENTS FROM KIDNEY DISEASES.

Then He Used Dodd's Kidney Pills and Became a Well Man—His Experience a Lesson for You. Athabasca Landing, Alta., Oct. 26 (Special).—That Kidney Disease, neglected in its earlier stages, leads to the most terrible suffering, if not death itself, and that the one sure cure for it in all stages is Dodd's Kidney Pills, is the experience of Mr. James E. Brant, a farmer residing near here.

Mr. Brant contracted Kidney Disease, when a young man, from a strain, and like hosts of others, neglected it, expecting it to go away itself. But it kept gradually growing worse, till after thirty years of increasing suffering the climax came, and he found himself so crippled that at times he could not turn in bed, and for two weeks at a time it was impossible for him to rise from a chair without putting his hands on his knees.

He could not button his clothes. He was troubled with Lumbago, Gravel and Backache, and tried medicines for each and all of them without getting relief, till good luck turned him to Dodd's Kidney Pills. Dodd's Kidney Pills started at the cause of his troubles and cured his Kidneys. With cured Kidneys his other troubles speedily disappeared, and to-day he is a well man.

If you cure your Kidneys with Dodd's Kidney Pills you will never have Lumbago, Rheumatism, Heart Disease, Dropsy or Bright's Disease.

## MURDERED 20 WIVES.

Cruel Annam Emperor Condemned to Perpetual Exile.

Than Thai, King, or, as he is sometimes called, Emperor of Annam, the most fantastically cruel monarch of modern times, has been condemned to perpetual exile in Algeria by the French Government.

Than Thai murdered twenty of his pretty little wives with tortures of inconceivable cruelty and horror. "The Pavilion, Goldfields, B. C. Gentlemen.—After a very fair trial I have received Zam-Buk entirely satisfactory. In my case it cured a skin rash of five years standing which no doctor had been able to do any good for.

"I would certainly encourage any person to keep Zam-Buk in their home. It truly does even more than you claim for it. For my own part I would not now be without it in the house. Yours very truly, (Signed) Roger F. Perry. "Justice of the Peace for B. C."

Zam-Buk differs from ordinary salves and embrocations, for while these mostly contain animal oils and fats, Zam-Buk is purely herbal. It soothes and heals cuts, sores, ulcers, eruptions, boils, eczema, chafing sores, etc. All druggists and stores sell at 50 cents a box, or from the Zam-Buk Co., Toronto, for price, 6 boxes for \$2.50.

## HUNTING WILD HORSES.

Favorite Sport in New South Wales—Breaking the Animals.

Whether "brumby" is a survival of the aboriginal name for a wild horse or a corruption of "unbranded" appears to be a question which philologists have left undecided, but brumby hunting is still a favorite sport in New South Wales, says the London Standard.

Districts like the Clarence and Stephens and Manning River watershed are still the home of numerous droves of brumbies, and hunting them is declared to be a very exhilarating pastime. The first step taken is to stake out a corral and make all secure except a narrow entrance, which can subsequently be gated. On either side of the entrance and projecting from it funnelwise a "booby fence" is prepared.

To the simple minded brumby it presumably looks like a stockade, and pieces of fluttering cotton make it look impregnable. When this is ready the young bloods, well mounted, gallop out and round up the wild horses, driving them with shouts and much loud snapping of stock whips toward the mouth of the funnel.

In a group of brumbies there is always a leader, and when once the hunters have got the leader for the corral they are pretty certain of the rest of the drove. The fluttering cotton rags of the sham fence are sufficient to deter the brumbies from breaking through the flimsy barriers, and in less time than it takes to tell the wild horses are safely corralled and the big gate shut on them.

Then they are left for four and twenty hours without food and water to reflect on the situation, and after that they can be broken without much difficulty.

## A MAGISTRATE INVESTIGATES ZAM-BUK.

Says It is a Wonderful Healer and Does More Than is Claimed For It.

No household remedy in existence has won such glowing tributes from people in high places as has Zam-Buk. Mr. Roger F. Perry, Justice of the Peace for British Columbia, tested this famous balm, and this is what he says of it: "The Pavilion, Goldfields, B. C. Gentlemen.—After a very fair trial I have received Zam-Buk entirely satisfactory. In my case it cured a skin rash of five years standing which no doctor had been able to do any good for.

"I would certainly encourage any person to keep Zam-Buk in their home. It truly does even more than you claim for it. For my own part I would not now be without it in the house. Yours very truly, (Signed) Roger F. Perry. "Justice of the Peace for B. C."

## HOW HE WAS BOUNDED.

"Do you know your orders, sentry?" asked an Irish officer of the sidler on guard-duty. "Yes, sir," was the prompt reply.

"Know the points of the compass?" continued the officer. "Yes, sir."

"If you face the rising sun, your left hand would be on the north of you, and your right hand to the south of you. What would be behind you?" "The knapsack, sir."

"Depressing sort of day, this," said the guest at the small hotel, sitting down to breakfast. "Yes, sir," said the waiter. "Even the milk, you will notice, has got the blues badly."

## 10. The Difference Between Poor and Good Cabinet Work

It is a fact not generally known that very few sewing machine manufacturers produce their own cabinet work. This is a distinct industry in itself.

The Singer Company owns and operates the largest and best equipped factory in the world, exclusively devoted to the production of the highest grade sewing machine cabinet work.

Only the finest woods procurable are used. To insure the proper selection of these woods, a corps of expert wood rangers is employed, whose duty it is to purchase individual trees, the grain and growth of which entitle them to use in Singer cabinet work.

This is why Singer cabinet work, besides being the most durable, is also the most beautiful,—the Singer process brings out all the richness and natural beauty of the wood.

I know that my home treatment is a safe and sure cure for all female weaknesses peculiar to our sex.

I want to send you a complete 10 days' treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer, if you wish, and I will send you the treatment for your case, entirely free, in plain wrapper, by return mail. I will also send you free of cost my book—"WOMAN'S OWN MEDICAL ADVISER," with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. To Mothers of Daughters, I will explain a simple home treatment which speedily and effectually cures Painful and Irregular Menstruation in young Ladies. Plumpness and health always result from its use.

Wherever you live I can refer you to ladies of your own locality who know and will gladly tell any sufferer that this Home Treatment really cures all women's diseases and makes women strong, plump and robust. Just send me your address, and the free ten days' treatment is yours, also the book. Write to-day, as you may not see this offer again. Address: MRS. M. SUMMERS, Box 103, Windsor, Ont.

Prevent Disorder.—At the first symptoms of internal disorder, Parmentier's Vegetable Pills should be resorted to immediately. Two or three of these salutary pellets, taken before going to bed, followed by doses of one or two pills for two or three nights in succession, will serve as a preventive of attacks of dyspepsia and all the discomforts which follow in the train of that fell disorder. The means are simple when the way is known.

Do Not Delay.—When, through debilitated digestive organs, poison finds its way into the blood, the prime consideration is to get the poison out as rapidly and as thoroughly as possible. Delay may mean disaster. Parmentier's Vegetable Pills will be found a most valuable and effective medicine to assail the intruder with. They never fail. They go at once to the seat of the trouble and work a permanent cure.
