

A GOOD ALL WOOL NAP OVERCOAT, LINED WITH TWEED, MADE TO ORDER FOR \$10.00, At H. H. SMITH'S.

A LARGE STOCK OF UNDERCLOTHING VERY CHEAP, AT H. H. SMITH'S.

Advertisements in the public. Many will be tempted to think that they are getting a bargain when they see a large stock of underclothing at a very low price. But they are not getting a bargain. They are getting a good thing at a low price. The quality of the goods is the same as in the past. The price is low because the manufacturer has a large stock of goods and is willing to sell at a low price to get rid of it. This is a good thing for the consumer. He gets a good thing at a low price. He does not get a bargain. He gets a good thing at a low price.
