spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness

To strengthen the stomach, restore the activity of the or. gans of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an un-failing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.
