The Governor Welcomed at Trinity.

His Excellency Governor Davidson, Mrs. Davidson and Major Beech received a royal welcome at the historic town of Trinity, on Saturday. In the morning Magistrate Lilly with the St. John's and Trinity Police, drove to the junction and escorted the party round to Trinity, eventually stopping at the Court House, where an address of welcome was read, and Mrs. Davidson was presented with a bouquet by little Miss Marie Eriksen, on behalf of the school children who were present.

The afternoon was spent in viewing the magnificent and for water which surround Trinity, the trip being taken in the motor ferry boat, after which afternoon tea was enjoyed at the hospitable home of the genial Magistrate, G. R. Lilly, Esq., to which had been also invited several guests. The fine weather enabled the Governor to enjoy some of the best scenery which can be seen in Newfoundland, indeed, Trinity and its environs may well be reckoned one of the beauty spots of the world.

Yesterday the Governor and party went up the Sound in the S. S. Ethie, and reached St. John's by to-day's express.

Welcome Accorded This A.M.

By this morning's special train about 150 of those associated with the Loyal Orange Grand Lodge Session arrived in town. The s.s. The Mayor had planned to leave St. John's on Saturday last to attend a convention of the Knights of Columbus at Boston, but, courtously delayed until to-day so as to have an opportunity of extending a greeting to the distinguished visitors.

The session of the Grand Black Chapter opens to-night in the British Hall. The session of the Grand Lodge of the Orange Association opens at the same place on the afternoon of Wednesday next. At night, addresses of welcome will be delivered and on Thursday night a banquet will be given the delegates in the Methodist College Hall. The business of the Grand Lodge will continue until Friday night or Saturday morning.

This Process Now Available.

TO ST. JOHN'S, PUBLIC.

The magical process of Dry Cleaning garments is now available to the citizens of St. John's.

The well-known establishment of Ungar's Laundry & Dry Works, Halifax, has appointed a local agency, Messrs Nicholl, Inkpen & Chafe, Ltd., Water Street, who will receive all articles to be cleaned and have them ready for delivery within two weeks.

Garments which have become soiled can be restored to original freshness through this process, and it will thus be seen that a great saving in tailor's bills can thus be effected by availing yourself of this method.
