## Harbor Grace Notes.

The S. S. Kyle left here at 10 o'clock yesterday morning en route to Labrador taking a number of passengers.

The schooner Studland, from Trinity Bay, to Mr. E. Simmons with a load of fence stuff, shingles, etc., anchored in the outer harbour yesterday forenoon owing to the high wind. The wind dropped somewhat in the afternoon and the schooner was enabled to come in.

Rev. Mr. Henderson, of St. Anthony, occupied the pulpit of the Methodist Church yesterday forenoon and that of St. Andrew's in the evening, preaching very forceful sermons, that of the evening being from the parable of the foolish virgins. The rev. gentleman left for his mission this morning.

The steamer Othar with a number of passengers from Bell Island arrived on Saturday, and returned to the Island yesterday afternoon.

Miss Minnie Pugh, daughter of Mr. Edwin Pugh, who has been teaching at New Melbourne, T. B., for the past couple of years, is here now on her vacation, which we feel sure will be a pleasant one.

Caplin were plentiful in some of the coves of this place this morning and a large number were secured, which will be used for manure.

Codfish is still very scarce, and our fishermen are not quite jubilant over the prospects of the season's voyage. May we soon have some better reports to make.

Mr. Selby Parsons arrived from Bay Roberts where he has been working at his trade sailmaking for some time.

Mr. Alan Parsons, son of Mr. and Mrs. Parsons who is now in Montreal holding a position with the Grand Trunk Railway Co., is expected home shortly on a visit to his friends.

## Diocesan Synod.

FIFTH DAY.

There was no afternoon session of Synod yesterday, as the members and their friends attended a Garden Party given by His Excellency the Governor and Lady Davidson.

The House met at 7.30, the opening office was recited by His Lordship the Bishop. There were 38 clergy and 41 lay members at the roll call.

The minutes of the last meeting were read and confirmed.

The Rev. H. J. Read gave notice that he will on to-morrow move the following resolution: "That this Synod affirm its adherence to the principle of denominational education for the Public Elementary Schools of Newfoundland, and deprecates any attempt to alter the present Modus Vivendi in regard to the same," and that a copy of this resolution be forwarded to the Government.

Rev. H. Uphill gave notice that on to-morrow he will move the following resolution: "That the grant received by this Diocese for Missionary purposes from the S.P.G. be relinquished on and after the 1st January, 1915."

The Hon. R. Watson moved that Revs. Canon Bolt, Canon Colley, Rev. G. R. Godden, Messrs. H. W. LeGosseur and J. A. Clift, be a committee to select names for recommendation to the Synod for appointment to Standing Committees for the ensuing biennial period. This was agreed to.

The Rev. J. T. Richards moved the following resolution: "That, realizing the great isolation of the clergy-men of the Straits of Belle Isle, especially those of Battle Harbor and Sandwich Bay, the magnitude of the work assigned to each, and the financial capacity of the people concerned to support even the missionaries now in the field, this Synod gives its heartiest approval and support to such efforts as the Deanery may deem prudent to make—subject to the Bishop's approval—to promote the welfare of the Church in Northern Newfoundland and Labrador."

The Rev. W. J. R. Higgin proposed and Canon Noel seconded the following resolution: "That this Synod of the Church in Newfoundland now in session, desirous to express both its heartfelt sympathy with the Church in Wales at this time of distress, and also its disapproval of the Bill which has been passed by the British Parliament disestablishing and disendowing the Church in Wales, and that copies of this resolution be sent to the four Welsh Bishops."

Carried by acclamation.

Rev. T. E. Loder brought in his series of resolutions, which after much discussion were withdrawn.

The Rev. Frank Smart moved that the House go into Committee to consider Bill dealing with the H. & F. M. Fund.

The House went into Committee. Revs. Bayly, Smart and Field; Mr. W. W. Blackall and Sir Joseph Outerbridge took part in the debate.

The discussion was adjourned, and the House rose at 10.15.

His Lordship the Bishop pronounced the Benediction.

## Empress of Ireland Disaster.

Amongst those lost in the above mentioned Disaster was Mr. H. R. O'Hara, of Toronto. Mr. O'Hara was insured with the Railway Passengers Assurance Company for \$5,000.00. The total amount which has been paid under this policy was \$13,500.00, made up as follows:—

Original principal sum \$5,000.00, plus accumulations \$1,750.00 making in all \$6,750.00. This doubled for travel accidents amounts to \$13,500.00.

Another point in connection with this case is that Mr. O'Hara carried \$20,000.00 in the Canada Life, \$2,000.00 in the Continental Life, \$4,000.00 in the National Life, and \$5,000.00 in the Sun Life totalling in all \$36,000.00.

His policy with the Railway Passengers, which was a Combination Accident and Disease Policy, cost him \$35.00 and for which his beneficiaries received in final settlement \$13,500.00 as against \$13,000.00 from the total of his Life policies and which as above stated cost him \$474.06. These figures show the importance of not delaying in taking advantage of the benefits granted by the RAILWAY PASSENGERS ASSURANCE CO. OF LONDON, ENG.

## Do Long Breaths Hurt?

DANGEROUS PLEURISY ALWAYS BEGINS THIS WAY.

Quick Cure is Nerviline.

Ouch, that stab-like pain in the side is like a hot knife blade in the ribs!

Probably got overheated—cooled too fast—now there is congestion, tightness, such soreness you can't draw a long breath.

This is the beginning of Pleurisy. Pleurisy is far too serious to neglect a single instant.

Quickest relief will come from a vigorous rubbing with Nerviline. This trusty old pain reliever will fix you up in no time—will take away the congestion—make you well just as it did Mr. Samuel St. John's, of Stamford, who says:—"In running to catch a train last week I became much overheated. I put up the train window and rode that way in order to get cooled off. In an hour my side was so full of pain and my breathing hurt so much that I thought I had pneumonia. I always carry Nerviline in my grip and at destination I rubbed my side thoroughly three times. The warm penetrating effect was soon noticeable and I quickly got relief. Nerviline I consider saved me from a serious illness."

Any sort of a cold can be quickly broken up with Nerviline which is a marvel for reducing inflammation, for relieving congestion in the throat and chest, for curing stitch in the side, lumbago, neuralgia, sciatica or rheumatism.
