MINARD'S LINIMENT CURES DISTEMPER

BAIT

Or rather the want of it, is one of the principal drawbacks to the fisheries of Newfoundland, and as it is tolerably certain that we shall have good markets and high prices in 1915, now is the time to prepare to capture BAIT fishes.

As a means to this end we are making CHEAP LIGHT CAPLIN SEINES, that will be easily handled, and as one good haul will pay for the outfit, every schooner should have one.

We are making SQUID TRAPS, which will be most effective.

We are making SMELT NETS, in all sizes.

We are making GILL NETS, various sizes.

We are making COD TRAPS and COD SEINES, Hemp and Cotton.

We make SUPERIOR HERRING NETS, Standard and Crescent brands.

We make Hemp and Cotton LINES and TWINES of superior quality.

We make CORDAGE and CABLES of all sizes. In fact we make everything required for the fisheries, and we ask all our people to support HOME INDUSTRIES by using everything that is home made where ever possible, and so keep the money in circulation in Newfoundland.

Colonial Cordage Co., Ltd.
