The Eastern Trust Company.

A few reasons why an estate can be better administered by
the Eastern Trust Company than by a personal executor or
administrator:—

1. The Company affords the estate absolute security; it has
a paid-up capital of \$931,000.00, and a reserve fund of
\$229,300.00.
2. It has a long experience in the work of administering
estates; it is incorporated for this business of acting as a trustee,
and, unlike many other trust companies, it does no other.
3. Its existence is perpetual. Your estate, in the event of
the death of a personal executor or administrator, must look
around for a substitute, and the work of administration is im-
peded during that time, and the new executor is unfamiliar
with the policy of his predecessor, and confusion results. This
company's existence is perpetual, and there is a continuity of
policy in its administration that the death of its officers does
not break.
4. It possesses the confidence of governments, universities
and prominent charities and administers their funds.
5. A number of other advantages which will appear in due
course.

To Please the Children.

You need them for your boy and your
girl. Start the Library now.

The 'EVERY CHILD SHOULD KNOW'
SERIES.

All parents and those interested in
the education of children know how
difficult it is to secure just the right
kind of reading for them. Childhood
is the decisive period of life, for it is
then that the habits and tastes are
formed that have most to do with the
development of character. In this
library the work that you would do
yourself if you had the time, money
and literary judgment, has been done
for you by the best critics who have
spent their lives in the study of liter-
ature and in whose opinion you may
have perfect confidence.

The editorial work that had to be
done was enormous. The literature
of the entire world has been drawn
upon and the selections have been
made from thousands of volumes.
These books constitute a complete lib-
rary for children and grown-ups, one
in which pride will be taken and
which will encourage the habit of good
reading; and furthermore, this is the
first time that a collection of such
unusual merit has been offered at a
price so low.

Here is a volume beautifully illus-
trated on Heroes, Heroines, Hymns,
Legends, Myths, Operas, Pictures,
Poems, Prose, Songs, Trees, Water-
Wonders, Wild Animals, Wild Flow-
ers, Birds; 20 books in all—the best
collection of stories ever gathered for
children. Come in and see them, or
ask us for a Catalogue of the whole
20 volumes. Only 60c. each.
