ITALIAN ARTHLERY ACTIVE. Italian artillery all day yesterday threw a hail of shells into the south-ern quarter of the town of Gorizia on the Izono front, according to an offi-

cial report given out to-day. RUSSIAN OFFICIAL,

On the western front, two large parties of German scouts attempted to approach our trenches near the Old Avnien and Sussey Rivers. They were dispersed by our fire. Our heavy artillery dispersed also an enemy column marching on the right flank of the Dvinsk position. German artillery bombarded the railway station at Kalkuny. In the district southeast of the village of Kolki, we repulsed an attempt made by a large enemy party to approach our trenches. In the Middle Stripa region we took some prisoners. To the east of Czernowitz our artillery bombed enemy battalions on the march. We observed shells explode among the enemy's LONDON, March 12.

A BERLIN STATEMENT.

A BERLIN STATEMENT.

BERLIN, March 12.

According to confidential statements made by the French Minister of War, General Gallieni, at a military conference, says a despatch from the Amsterdam Overseas News Agency, French casuatties up to March 1, 1916 amounted to 800,000 dead and 1,400,000 wounded. Among the latter, the despatch adds, are 400,000 severely wounded. In addition, 300,000 men are missing. The total loss of the French, General Galleni's statement shows, continues the News Agency, has reached 2,500,000; while the British up to the present have lost 600,000.

### **SUGGESTIONS TO** SICK WOMEN

How Many Are Restored To Health.

First.—Almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful periods, displacements, pain in the side, burning sensation in the stomach, bearing down pains, nervousness, dizziness and sleeplessness.

Second.—The medicine most successful in relieving female ills is Lydia E. Pinkham's Vegetable Compound. It regulates and strengthens the organism; it overcomes disease.

For forty years it has been making women strong and well, relieving backache, nervousness, ulceration and inflammation, weakness, displacements, irregularity and pariodic pains. It has also proved invaluable in preparing for childbirth and the Change of Life.

Third.—The great number of unso-

ROME ARCHER STAFF STAFF

AT THE CRESCENT.

To-day the Crescent Picture Palace presents Flora Finch in a rich Vitagraph comedy "The Starring of Flora Finchurch" one of the best comedies the talented Flora has ever appeared in. "A Natural Man," a special two-reel Vitagraph feature with Myrtle Gonzalez and an all star cast. Isabel Rea and Wm. J. Butler feature in a thrilling sea drama "The Avenging Sea," produced by the Biograph Co. "A Double Winning" is a fine melodrama with Helen Bray, Charles H. West and Harry Carey. This is a great week opening show; don't miss seeing it. On Wednesday "The Confession of Madame Barastoff" a Russian Military drama in three reels.

BRITISH THEATRE.

To-night's programme at the British Theatre is a particularly good one and well calculated to please even the most discriminating theatre-goer. The two-part universal, feature, entitled "Her Bargain" is one of the tense human interest productions which sways the audience from the start and holds it to the finish. A young society girl finds on her wedding morning that the man to whom she was to be married had married her maid of honor and left the city. The manner in which she deals with the situation, and the ultimate happy ending make up a story that is bound to enthuse. Sydney Ayres appears in this drama. "The New Dress" is an Eclair drama of heart interest, and tells how a new dress and shabby shoes cause comment, and bring calamity to one woman and then happiness. The comedy is a Nestor production, "When Cupid Pulled a Tooth," and features Eddie Lyons and Victoria Ford. This is a most entertaining programme and will no doubt draw large audiences.
