"You may dress as well as she," says our Dainty Dorothy.

DON'T envy the clothes of the well-dressed woman whose wardrobe seems inexhaustible; have some of your own garments dry cleaned and dyed. For that is the secret of many a woman's smartly garbed appearance.

### DR. LEHR, Dentist,

329 Water St.

30 Years in Practice in Newfoundland. BROKEN PLATES REPAIRED.

Well equipped Dental Offices can now repair plates. A broken tooth is no reason why a plate should be discarded. A new tooth, or several of them, can be vulcanized onto the old plate and make the service absolutely as good as ever. If you meet with an accident that injures your plate in any way, consult your dentist about repairs before you discard it for a new one. You can often prevent a needless expense. jne27,ta,th,s,tf
