TWO PARADES EACH WEEK.

The Seventh Regiment held its usual weekly parade last night, there being an unusually large turnout. At the close of the parade regimental orders were read, announcing that full regimental parade will be held every Monday evening, and full company parades on Thursday and Friday evenings. Companies Nos. 1, 2, and 5 will parade on Friday evenings, and Nos. 3, 4 and 6 on Thursdays. This means two turnouts a week for each man.

COUNCIL RECEIVES REPORT ON MUNICIPAL ELECTION INQUIRY

Judge Elliott's Statement Regarding Investigation.

Aldermen Wrestle With Question of Permanent Roadways.

Ald. McMechan Wins in King Street Dispute and Repeats Protest Against Initiative.

The city council last night received Judge Elliott's report upon his investigation into the last local municipal election. He said:

"From the evidence given before me, I find that the number of ballots ordered by the city clerk and the number actually printed and delivered to the electors was 10,500. The number of ballots actually printed and delivered to the electors was 10,500. The number of ballots actually printed and delivered to the electors was 10,500."

"I further find that no notification was given or sent to the electors of the time of the delivery of the ballots, or at any other time, or on any other occasion, on or behalf of the city clerk, or of the city council, or of any other person, that the number of ballots delivered to him was in excess of the number ordered by the city clerk."

"The evidence does not disclose any intentional wrong-doing on the part of the city clerk, or of any other person, in connection with the delivery of the ballots to the electors, or in connection with the printing and delivery of the ballots to the electors."

"While thus exonerating Mr. Alfred Talbot, the city clerk, from any charge of intentional wrong-doing, I cannot say as much for his employees, who acted in a most careless and negligent manner in connection with the printing and delivery of the ballots to the electors."

"I find the said conduct, through his employees, guilty of negligence in the following particulars: (a) In not seeing that the correct number of ballots ordered were printed; (b) In not counting the number actually printed and delivered; (c) In the fact that the said number of ballots were left in the printing office from the time they were printed to 3 p.m. on Jan. 2, until about the noon hour of Jan. 4, when I find they were delivered; (d) In leaving the ballots in the printing office for so long a time, and others had access to the printing office during the night of Jan. 3; (e) In not seeing that the ballots were properly printed and delivered to the electors;
