BOARD OF WORKS VISITS THE EAST

a Thorough Inspection of Drains.

The members of the board of works accompanied by Assistant City Engineer Kirkpatrick, yesterday made an inspection of the East End Hall, and will report at the meeting to be held

FOR OLD BOYS' WEEK

Old-Time High-Wheel Riders Will Reorganize for the Occasion.

Special features for the Old Boys reunion are coming out with great frequency these days, and a new one

was sprung this morning. The old-time members of the Forest City Bicycle Club have announced their intentions of taking part in the parade, and also in the sports at Queen's Park.

This club was a famous organization twenty years ago, and has a great record behind it. Those were the days of the old highwheel, and many races were pulled off

under its auspices.

Mr. E. W. M. Flock is completing the work of reorganizing the club, and already several members of the club have dug up their old high-wheels and are getting them in shape.
