Ministry Advocate Calmness But the People Urge

Extensive Military Manœuvres to Be Held In Japan Two

was bellicose. The ministry were urg-ing calmness and decrying demonstration, while the negotiations proceeded, but according to the officers of the Victoria, there was no question but that the populace were keen for war.

After canyassing opinious among some of the highest statesmen A Tokio correspondent found that all ware anxious to spondent found that all were anxious have it made known that the prospect o the present difficulty favored peace, al-though there were still many questions to be decided. The statements of the ministers to this end are received with some scepticism by Japanese generally.

who put these statements down solely to the desire to avoid having Japan gain a reputation of being nre-eating or Immigration Statistics for Ten A member of the cabinet is quoted by the Japan Gazette as stating that the warlike utterances of Japan's press and public represent a minority. As to the question of the Russian troops in Man-Gueral of the Russian troops in Main-churia he says the agitation in certain from Our Own Correspondent. Japanese newspapers for their with-

confidence of the country, and the paper goes on to point out that appearances show that Russia will not accede to this. In conclusion of a lengthy article the paper says: "The feverish haste, for example, with which Russia is sending out ships and troops to the Far."

Niagara Falls, Nov. 4.—The trouble with the strikers appears to be over. Ing out ships and troops to the Far East, combined with the brutally defiant tone of the whole Russian press, renders us sceptical of pacific intentions on Rus-

The Russian troops in Manchuria now number 110,000, and many detachments are being moved southward, concentrating on Port Arthur. New ordnance is continually arriving over the railway, and reinforcements are being received

Field Marshal Marquis Oyama second in command.

Japanese papers publish lengthy statistics of the Japanese army, showing it to number 167,629 officers and men, and with the reserve forces a total of 632,000. The latest estimate of Russian naval tonnage in the Far East made on October 20th, foots up 96,172 against a similar Japanese tonnage of Funeral of Professor Mountain Command against a similar Japanese tonnage of \$5,320. In heavy armored cruisers the advantage is decidedly with Japan, for against four Russian ships of speed against four Russian ships of speed ranging from 18 to 21 knots, Japan has a squadron of six tolerably homogenous vessels, the slowest being 20 knots and the fastest 23 knots. Their combined tonnage is 57,236 against 43,819. Japan has now a superiority over Russia on the water which will soon be reversed.

Japanese in Korea and North China were becoming badly affrighted because of the situation, and every homeward steamer brings many panic-stricken ores. The Japanese press continues warlike for the most part, and some jour-like for the most part and the fastest 23 knots. Their combined the historian, took place to-day. A great number of scholars, ambassadors, cabinet ministers and foreign delegates were present. The Crown brince frederick william represented the Emperor. of the situation, and severy journess of the situation, and streety journess. The fourness are constructed in the fourness of the situation of

MRS. C. LAURIUR DEAD. Montreal, Nov. 4.—Mrs. Carolus Laurier, mother of Charlemagne Laurier rier, mother of Charlemagne Laurier, M. P., and a stepmother of Sir Wilfrid Laurier, died yesterday at the residence of her son at St. Lin. She married the Premier's father when Sir Wilfrid was only six years of age.

OFF FOR ENGLAND. J. Israel Tarte Makes a Public State ment Before Departure.

Montreal, Nov. 4.—Hon. J. Israel Tarte leaves for England tomorrow morning. His plans, however, may be subject to change. "If I go," he said, "it will be as a newspaper man and also a public man anxious to ascertain public sentiment in Great Britain on the tariff proposals of Mr. Chamberlain. I cannot say definitely as to whether I shall take part in the campaign or not."
