TUESDAY MORNING, DECEMBER 27, 1881. little sympathy. RIDDEL ON ROADS.

During his nomination speech in St. Thomas ward yesterday, Coroner Ridde vesterday without any marked excitement. unriddled the great prize conundrum-Why are the streets of Toronto so muddy? This In several of the wards there was a good question has puzzled some of the most deal of the badinage and buncombe charpowerful minds in the community. The acteristic of parish politics, but no one was theory has been advanced that it is owing the worse for it. the worse for fit. The re-election of Mr. Mayor McMurrich to leaving the streets out doors when it the worse for fit. The re-election of Mr. Mayor McMurrich by acolamation was almost a foregone con-clusion from the opening of the municipal a crowner's quest upon it, as it were, and a crowner's quest upon it, as it were, and with his little scalpel laid bare its true in-wardness. He says that it is all the fault of the young men from the country, who are en-words and the analy justify the confidence reposed at the worse for fit. The re-election of Mr. Mayor McMurrich the worse for fit. The re-election of Mr. Mayor McMurrich a crowner's quest upon it, as it were, and defiance of firce party opposition, Mr. McMurrich has so comported himself as to win golden opinions from all quarters, and to amply justify the confidence reposed to amply a confidence reposed to amply increasing circulation is and chard, and its reasonable rates on the other, must com The re-election of Mr. Mayor McMurrich

young men from the country, who are en- as to win golden opinions from all quarters, red to do manual labor on the city press. and to amply justify the confidence reposed Thus: Young men from the country are in him by the electors. Mr. McMurrich's engaged, at an enormous salary and record justifies the belief that his second himself, on the Morning Snob's year of office will lend to still further raise The able editor of the him in public esteem. It is to be hoped that the wards will return such a council as glove and turns the young man from the will strengthen his hands in the adcountry loose upon a defenceless city. The ministration of the city's affairs, young man wades down King street and up and that the blunders, and worse Yonge, and having come from where the mud on the side lines is only three feet We hear from good authority that Hon.

deep on the level, and is astonished to find himself up to his chin and the tide still Mr. Mackenzie will accept the reform canrising. The young man from the country didature in this riding, providing friends in Lambton are agreeable to the returns to the office in a flat boat street car, removes the plaster cast of himself change. He will consult them publicly on January 5, at a meeting which has been which he has involuntarily made, and writes a severe critique of Toronto's streets. called for that date. Dr. Riddel says that the streets are

good enough for the money, and good enough for anybody but the unacclimatized young men from the country who write for the papers. Any cosmopolitan citizen who knows what mud is, and really likes will never complain of our streets. Every man who has been accustomed, as Dr. Riddel has for years, to going home with his hair, eyes and pockets gathered from the of mud wheels of passing vehicles will join with him in standing up for Toronto's mud. Our space, as big as a sheet of foolscap, had and in pious exaltation. The young man best citizens would feel that a great blank become as painfully clean as an ordinary city was of that age when the world was township concession

The least the electors can do in recognition of Dr. Riddel's defence of our been of a temporary character, if he had peculiar institution is to elect him by accla-
