

ifesto!

of the cares and responsibilities for the public have kindly rendered a load of honor that would be great Cardinal Wolsey says) and hopes for Heaven." I consider to relieve myself of another heavy burden the former I refer to the to be out of just once in my life, and to that end I am determined to have that large property formerly for Estate, in it.

OF CHESTER,

rence Market, City Hall, General business centre than the Town of York will be sold on the most liberal public, viz., 2% per foot cash for three and five years at 5% per foot, with the privilege of paying at 10%.

BANK SHARES.

winding up of the Federal Bank and the now defunct Central Bank depressed money market. It would have been expected that the securities of the banks would have been sold at a profit, but the market is so tight that the securities are being sold at a loss.

BUS LINE

now in actual operation, and the Union Station and this estate each way. Six tickets will be sold for \$1. New buses are being ordered and will leave the Union Station at an interval of an hour during the busier part of the day.

JOHN P. MCKENNA,

IS IT INCOMPATIBILITY?

NEW PHASE OF THE TROUBLE BETWEEN LIQUIDATORS.

Mr. Campbell's position is that the liquidators should be given the right to sell the assets of the company, and that the shareholders should be given the right to buy them back.

A PROSPERING CITY

Montreal, seeing their own city's growth and prosperity, as a little more, perhaps, to overlook the progress that is being made in the Canadian center, and to reward with a substantial increase in the value of their property.
