The K. of L. and The Empire,

The Executive Committee of District Assembly 125, K. of L., at their meeting in Labor Hall, Simcoe-street, last night unanimously adopted the following resolution: Resolved that this Executive Board, representing the Order of the Knights of Labor in this city, take this the first opportunity of resenting in the strongest terms possible the uncalled-for and scurrilous attack of The Empire on our Past General Master Workman and leader in the mean attempt to injure him by the repetition of Master Workman and leader to the state of the content of the often denied story of his connection with the disreputable section of the Clanna-Gael on the authority of the perjurer and scoundrel Le Caron, and is, in our opinion, soundrel Le Caron, and is, in our opinion, the province of our citizens and second results of the seco unworthy the notice of our citizens and Canadians generally. Worst Kind of Scrofula.

DEAR SIRS.—I had an abscess on my breast and scrofula of the very worst kind, the doctors said. I got so weak that I sould not walk around the house without taking hold of chairs to support me. The doctors treated me for three years, and at last said there was no hope for ine. I asked if I might take B.B.B. and they said it would do me no harm, so I began to take it, and before three bottles were used I felt great benefit. I have now taken six bottles and am nearly well. I find Burdock Blood Bitters a grand blood purifier and very good for children as a spring medicine.
