Stammering Cured!

DR. BRONSON, AND C. C. BEERS, ARE happy to announce that STAMMERING can be permanently CURED, by Medicine and Vocal Gymnastics. It is first treated as a Nervous Disease, (like St. Vitis' Dance, Epileptic Fits, etc.) and then the habit, incident to the disease, is corrected by exercise in the stammer. Mr. Beers has been an inveterate stammerer for thirty-five years; has attended many institutions for the cure of stammering, and expended hundreds of dollars without any permanent benefit, but cured himself, 18 months ago, and has ever since remained so. With the same means, we have cured others, to whom we would gladly refer any applicants—not having failed in a single instance. Being satisfied from reason, experience, and observation, that stammering is the effect of a Nervous Disease, and can be perfectly cured by the above system, in the course of two or three weeks, we assure all interested of these gratifying results, and guarantee a permanent cure, or refund the small fee paid in advance. Those desiring further information in these subjects, (including terms, guaranty, &c.) can obtain it from our New Work, just issued, on Stammering, its Effects, Causes and Remedies. Illustrated by One Hundred Engravings. Price, One Dollar; or the receipt of which the Book will be sent without expense, and the money refunded if it will not be cured in the full term of four weeks. Board, sent, by mail, on receipt of the above terms. Address, BRONSON & BEERS, 136, Washington-street, Boston, Mass.
