WHAT CAUSES SO MUCH SICKNESS

Constipation Responsible for 90% of Disease

"FRUIT-A-TIVES" Corrects It

It is generally recognized among the medical profession that Constipation or Insufficient Action of The Bowels, produces more disease than any other one cause. Constipation is responsible for at least 90% of the disease in the world today—because Constipation is responsible for the Indigestion and Dyspepsia—the nervousness, Insomnia and Rheumatism—the Eczema and other skin troubles—the Headaches and Backaches.

Why is this?  
As you know, it is the duty of the bowels to carry off the waste matter in the system. If the bowel muscles are weak or the liver inactive, then this waste matter remains in the body and poisons the blood. As a result, every organ in the body is poisoned by this waste.

"Fruit-a-tives" has been wonderfully successful in relieving Stomach Troubles, Nervous Troubles, Liver Troubles, Kidney Troubles, Skin Troubles and Blood Troubles, because "Fruit-a-tives" positively and emphatically relieves Constipation. "Fruit-a-tives" will always relieve Constipation, even though the trouble has been chronic for ten, fifteen and twenty years. Thousands of grateful users proclaim "Fruit-a-tives" the greatest remedy for Constipation that the world has ever known.

50c a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

BRADY SAYS STRIKE WOULD SUIT THE C. N. R. SPLENDIDLY

Ottawa, Oct. 14.—The question of wage reductions as affecting the lower paid employes of the Canadian National Railways will in all probability be referred to a board of arbitration, as a result of the stand taken by F. P. Brady, advisor to the National Railways executive before the board of conciliation which met this afternoon. A previous session of the board a few days ago was adjourned in order to allow the representatives of the railways and the employes to negotiate to a further extent.

Mr. Brady agreed to the withdrawal of all suggestions of a revision of the schedule of working conditions, but refused to consider any alterations of the scale of wage reductions which the company made effective on July 16th last.

The representatives of the employes maintained that the reductions in the case of the lower paid men were improper.

Mr. Brady replied: "There is nothing we would like better than for you fellows to go on strike. It would suit us splendidly."

A. R. Mosher, grand president Canadian Brotherhood of Railway Employes, replied: "As long as a legitimate course of opposing wage reductions in their present form is open we will not go out on strike."

A WOMAN AGED 100 BORN IN ANNAPOLIS

Mrs. Sarah Ann Burns Descendant of Loyalists—Another Woman in Massachusetts Enters On 104th Year.

Boston, Oct. 12.—Mrs. Sarah Ann Burns, probably the oldest woman in Newton, Thursday observed the 100th anniversary of her birth, at the home of her son, Arthur S. Burns, Newton Highlands. Beyond the informal visit of relatives and close friends no observance of the occasion was planned. Mrs. Burns is in excellent health, and her faculties are unimpaired, with the exception of slight deafness.

She was born in Annapolis, N.S., and is the daughter of William Jones, who was well known in New York as a Loyalist. He left New York to settle in Annapolis. His wife was Sarah Pickup. Mrs. Burns was the wife of Michael Burns, whose father was also a New York Loyalist, who made his home in Annapolis, and she lived there until his death at the age of eighty-six years, which occurred about twelve years ago. She then came to Massachusetts, and for the past three years has been a resident of Newton.

At the Mount Pleasant Home for Aged Men and Women on Elm Hill Avenue, Roxbury, Miss Annis Stone, since November 15th, 1909, a member of the household of that place, welcomed her host of friends at a reception given in her honor at the home, late Wednesday afternoon, in celebration of her one hundred and third birthday.

A WOMAN'S HEALTH NEEDS GREAT CARE

When the Blood Becomes Watery a Breakdown Follows

Every woman's health is dependent upon the condition of her blood. How many women suffer with headache, pain in the back, poor appetite, weak digestion, a constant feeling of shortness of breath, pallor and nervousness? Of course all these symptoms may not be present—the more they are the worse the condition of the blood, and the more necessary that you should begin to enrich it without delay. Dr. Williams' Pink Pills are a splendid blood-building tonic. Every dose helps to make better blood which goes to every part of the body and brings new health to weak, despondent people. Dr. Williams' Pink Pills are particularly useful to girls of school age who become pale, languid and nervous. There can be neither health nor beauty without red blood which gives brightness to the eyes and color to the cheeks and lips. Dr. Williams' Pink Pills build up the blood as is shown by the experience of Mrs. Jos. E. Veniotte, West Northfield, N.S., who says: "For several years I was in a bad state of health. I was pale and nervous, my appetite was poor, and I suffered from weakness, headaches and a feeling of oppression. I got so nervous that I was afraid to stay in the house alone. All this time I was taking medicine, but it only did not help me, but I was growing weaker. Finally I decided to try Dr. Williams' Pink Pills, and after using six boxes I felt much better. I had a better appetite, slept better and felt stronger. However, I continued taking the pills for a couple of months longer and now I am feeling as well as ever I did. I give all the credit to Dr. Williams' Pink Pills, and hope that my experience may be of benefit to some other weak woman."

MINISTER GUILTY OF FEE SPLITTING

Performed Two Hundred Marriages in Two Months.

Wilmington, Del., Oct. 15.—The Rev. R. T. Western, a retired Methodist Episcopal minister of Elkton, Md., has been dismissed from the church after conviction on fourteen counts by an ecclesiastical jury. Chief among the charges were trafficking in marriages, splitting fees and conduct unbecoming a minister.

Mr. Western, who acted as his own counsel, made no attempt to deny the allegations, members of the jury said. He testified that he had "split fifty" with jitney drivers on his fee, ranging from \$2 to \$10, for performing marriage ceremonies. Since Aug. 1st he said he had performed about 200 such ceremonies.

Mr. Western said that he would ignore the conviction. He says he is a member of the Montana conference and denies the authority of the Wilmington body to dismiss him.

England, France and Germany now have commercial and passenger airplane service daily operating over a number of routes.

ENTERPRISE PIPELESS FURNACE

ONE TON IN THREE IS WHAT YOU CAN SAVE WITH A PIPELESS FURNACE—and it burns any old kind of fuel—hard or soft coal, wood or coke.

With Pipeless Heating the entire system is in the cellar but all the heat is in the house. Not a degree is wasted or absorbed by cellar pipes, none is thrown off around the furnace, and your cellar is always cool—just right for storing fruits and vegetables.

You can change to Pipeless Heating in a single day—there is nothing at all to the installation. If we start today, we'll be through tomorrow and your heating troubles will be ended. No matter what next winter has in store, you'll be warm and comfortable.

We have not the space to say all we'd like to in this advertisement, but if you'll call in, we'll turn the furnace inside out for you.

MAGEE & CHARLTON

Sole Agents for Bridgetown

Made in Canada.

On Monday, October 3rd, our salesmen started out with a complete price list of all the "Made at Windsor, N.S." fertilizers for the spring of 1922. We cover the entire Provinces of Nova Scotia, New Brunswick, Prince Edward Island and the eastern counties of Quebec.

Our fertilizers are essentially a "Made in Canada" product, and at this time with an unusual amount of unemployment every industry giving employment at home must be supported.

There may be some things which must be imported because not made here. There are others which because of either the price or quality preference is given to imported goods, but none of these reasons apply to "Made at Windsor, N.S." fertilizers.

No imported fertilizers can be brought on a more favorable basis than ours as to quantity price or quality. It is impossible to buy a better fertilizer than the "Made at Windsor, N.S." brands at any price. They are made from the best raw materials, properly mixed, well ground, rightly cured, and can be put on evenly, whether by hand or with a fertilizer sower.

We want agents either dealers or farmers in all territory where we are not now represented.

Write to us and our salesman will see you or we will quote from our head office.
