

Go to Him ! for He can only
Soothe the pain and heal the sore,
All who are distressed and lonely ;—
Go to Him and sin no more.

Go to Him ! lay down your burden,
At His feet His love implore,
Ask in penitence for pardon ;—
Go to Him and sin no more.

Go to Him ! He hath invited
All to enter Heaven's door,
Sinners by His love united ;—
Go to Him and sin no more.
