

A site for a Government wharf is being located at Louisburg.

The contract has been let for the building of the Vancouver city wharf.

The Dominion Government has purchased the property of the Cunard Co. in Halifax, and will build modern warehouses and piers on the site.

It is reported that the C.P.R. have placed a contract for a "Princess" steamer to run alternately with the "Princess Victoria."

Two new steamers are to be built at Esquimalt for the New England Fish Company, of Vancouver. They will be 150 feet long, and will cost about \$80,000 each.
