It is a matter of regret that the following letter has been unavoidably held over for such a length of time:

From Rev. G. H. Raley.

KIT-A-MAAT, B.C.

At this station there has been a most pitiable condition through an epidemic of measles, complicated with other ailments, and the strain upon Miss Long has been most severe. Mr. and Mrs. Raley have striven to lighten her burdens as much as possible. After narrating some of their sad experiences in watching and nursing, Mr Raley writes under date of September 30th :

Last night, as I was about to close this, I was called by Mrs. Raley, and found a very undesirable state of affairs;
