THE RUSSELL HOUSE,

OTTAWA.

JAS. A. GOVIN, Proprietor.

—IS THE—

Favourite Resort of the Leading Public men of the Dominion attending the annual Sessions of Parliament.

Ministers of the Crown, Senators, Members of Parliament, Public Officials, as well as those having business with the various Departments of the Government. It is also the headquarters of those having dealings with the princely Lumber Manufacturers in the great Pine Valley, of which Ottawa is the acknowledged centre.

THE RUSSELL HOUSE being central, almost abutting on the magnificent PARLIAMENT and DEPARTMENTAL BUILDINGS—the pride of the Country—is thus conveniently situated for those visiting the City on public business. But the location is also everything that could be desired as a place for the man of business and the man of pleasure. A few minutes walk brings the guest of the Hotel within reach, not only of all the principal business resorts, but also of the most splendid Mountain and Valley Scenery that can be seen anywhere, as also of the two almost unrivalled Waterfalls—the Chaudiere and Rideau—and of the extensive Manufacturing Establishments and Depots of the leading Lumbermen. But, besides the beautiful scenery, which it may be mentioned, includes the magnificent Ottawa and two of its grand tributaries—the Rideau and the Gatineau—there are in the immediate neighborhood, beautiful Lakes and apparently never-ending woods, which afford opportunities for the finest Fishing and Shooting that can be obtained on the Continent.

THE RUSSELL HOUSE affords excellent accommodation for 300 guests; its table is abundantly supplied with Viands of the choicest description, in season, and nothing is left undone to make every visitor feel comfortably "at home."

Omni-buses meet the Arrival of every Train and Boat.
