### Scientific and Useful.

**JUMBLES.**—One cup of butter, one and a quarter cups sugar, three eggs, two tablespoonfuls sour milk, one teaspoonful soda, flour to stiffen. Sprinkle sugar on before baking. Cut in rings or round cakes.

**WHALEY PUDDING.**—Put one pint of canned fruit into a pudding dish and let it come to a boil; then make a batter as for layer cake, pour over the fruit and bake in a quick oven till brown. Serve hot with whipped cream.

We call the attention of our lady readers to the advertisement in our columns of **JAMES PYLE'S PEARLINE**, for laundry and kitchen purposes. An article so popular and widely circulated must possess merits that commend it to the favour of house-keepers.

**BROWN BREAD.**—Two cups Graham flour one cup cornmeal, one-half cup molasses, one cup sour milk, one teaspoonful soda in the milk, one teaspoonful salt. Warm water to make a moist dough. Bake slowly in a deep pan. This is excellent warm or cold.

**BEEF SALAD.**—Slice cold boiled beets; cut into neat strips, line a salad bowl with white, crisp lettuce, heap the beets in the centre and pour mayonnaise dressing over them just before it goes to the table, or you can pass the dressing with the salad in an ice-cold pitcher or a pretty bowl with a ladle in it.

**A RADICAL CHANGE.**—Daniel Sullivan, of Malcolm, Ont., takes pleasure in recommending Burdock Blood Bitters for dyspepsia. It cured him after years of suffering. From being a sceptic he is now a confirmed believer in that medicine.

**COLD CATSUP.**—One peck ripe tomatoes, cut fine and squeeze dry, three pints vinegar, three green peppers, three red peppers, salt to taste. One teacup mustard seed, two tablespoons black pepper, whole, four bunches celery, a few whole cloves, a few onions chopped fine. Mix well and bottle.

A GOOD recipe for Turkish cologne is: Tincture Canada snake-root, eight ounces; tincture orris-root, twenty-four ounces; oil of bergamot, oil of lavender, oil of lemon, each twelve drachms; essence musk, oil of neroli, oil of cinnamon, oil of clove, each two drachms; orange flower water, sixteen ounces; cologne spirits, six quarts. After mixing, the cologne should be allowed to stand several days before pouring off into bottles.

I HAVE been suffering from Indigestion and violent Sick Headache for upwards of four years. I have consulted many of the Faculty, but have derived no material benefit from any source, until I tried **PERRY DAVIS' PAIN KILLER**, which, I am happy to state, has done me more good than all I ever tried before. **ESTHER BRIGGS,** Bolton, England.

**FRECKLES** can be removed by washing with borax, and the greasy look of the skin will disappear on washing with soap, says the *Scientific American*. The *Tribune* advises for the same purpose a mixture made as follows: Glycerine, twelve ounces, rose-water, twelve ounces, of sulphur-carbolate of zinc, one ounce, of spirits of neroli, half a drachm, and of alcohol, three ounces. Apply twice a day, leaving on the mixture from half an hour to an hour.

A FINE cosmetic can be made by taking one cupful of oatmeal and five cupfuls of water; stir several times during the day; let it set over night and then pour off all the water and the coarser part of the meal. Strain through a fine sieve and add bay rum to it until it is of the consistency of cream. Bathe the hands freely with it and draw on an old pair of kid gloves and you will be delighted with the effect. This is equally good for a chapped face. Bathe the skin with it, letting it dry in.

"THAT dire disease whose ruthless power, Withers Beauty's transient flower," is found lurking around the citadel of Life, in the guise of a cold, like an unsuspected enemy in camp. For colds or coughs, weak or sore lungs, sore throat, bronchitis, asthma, and all diseases that lead to consumption, and for consumption itself, take Dr. Pierce's "Golden Medical Discovery."

If the hands are stained, there is nothing that will remove the stains as well as lemon. Cut a lemon in halves and apply the cut surface as if it were soap.

**Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES,** is not only very palatable, but the remedial power of these valuable specifics is greatly increased, and as a remedy for Consumption, Scrofula, Emaciation, or where there is loss of flesh and nerve power, it is remarkable in its results. Take no other,

### "MYSTERIOUS PEOPLE."

Celestial Children of the pig-tailed race! Scorned by us Easterns, who are yet obliged to face and bow before thy ingressions! What do we owe thee? We owe this debt as well thy Hindoo brother for those fragrant, pungent leaves, that give light, health and pleasure to all who use the Li-Quor Teas. All grades from 50c. to 80c. a pound. A handsome volume, your own choice, from our catalogue, with every 3 pounds. **GEO. MANN & Co., Sole Wholesale Agents, 295 Yonge St., Toronto.**
