CHRISTIAN GIVING.

IN the *Free Church Monthly* the following instance of self-denial for Christ's sake is given. A correspondent in sending £1 from a poor maiden lady in very humble circumstances says: "After hearing an address on Missions she thought she would try and give 2s 6d extra to the cause. Then hearing of the Russian famine, she thought she would like to give 2s 6d also to that. Then she thought she would like to make it 5s for the Foreign Missions, and a few days after she had resolved to do without some repairs on her house and save the money for Missions, and thus the sum grew till she had resolved to give £1—a very large sum to her, considering she will not have more than £10 or £12 a year to live on altogether. Some time after she had resolved to give the pound, she received a letter from an old friend in America enclosing a post office order for £1, to enable her to take a holiday; and on looking up the date when the letter was written, she found that it was sent off on the same day on which she had resolved to give the pound for Foreign Mission purposes.

Thank God for sympathy; it has a wonderful power of turning keys in rusty locks.

The devil already has a good start in the family where no religious paper is taken. - *Ram's Horn*.

Perhaps to suffer is nothing else than to live more deeply. Love and sorrow are the two conditions of a profound life. - *Vinet*.

Maker and High Priest,
I ask Thee not my joys to multiply—
Only to make me worthier of the least.
-E. B. Browning

In a great and difficult undertaking it is quality which counts, not numbers. The 300 of Gideon's band achieved what the 32,000 from whom they were chosen could never have accomplished. - *Judson Smith*.

Brick and stones are now the most effective means of confounding those who do not believe Moses and the prophets. The researches made in Bible lands are adding fresh confirmations to its historical statements.
