## The Permission was Granted.

They had been but a few months married, and she kept pressing him eagerly to spend his evenings at home; but she objected to his smoking in the drawing-room, and the advent of winter had driven him from the veranda, where in pleasant weather he had enjoyed his cigar. His greatest desire was to please her, but as he looked out at the first light November snow swirling around, the desire failed, and drawing a chair near to the grate, he lit his cigar. Shortly after she entered the room, and he was pleased to note in her face an expression of pleasure instead of disapproval. "What kind of a cigar is that you are smoking?" she asked smilingly. "The Flor de Bahama" he replied. "What a delightful aroma" she said, drawing near him and inhaling the scent of his weed. It was his moment to push the conquest, and slipping his arm around her waist, he asked, "Have I then permission to smoke those cigars here with you?" Once more she inhaled the curling smoke, and then replied, "Certainly. No one could object to so delicious a scent in a room. But George do not smoke those horrid weeds you have been using before." Thus it is with the "Flor de Bahama." The most fastidious among the fair sex relish its beautiful aroma in the air they breathe. This cigar is manufactured only by TASSE, WOOD & Co., RELIANCE CIGAR FACTORY, MONTREAL.
