VI. An Act to Alter and Amend Chapter 58 of the Revised Statutes "of Public Instruction," and the Acts in amendment thereof.

(Passed 18th day of April, 1872.)

Be it enacted by the Governor, Council, and Assembly, as follows:

1. The existing provision for the sectional assessment of property held by corporations and companies, mean, and shall be understood to mean, that all such property is liable to assessment in and for the benefit of the section wherein it lies, and after the thirty-first day of October, A. D. 1872, these provisions shall extend and apply to all rateable property held by any association, company or firm, whether incorporated or otherwise; that is to say, the assessment payable directly by the association, company, or firm, in respect of any property, shall be paid in and for the benefit of the section where the property lies; and if any portion of the rateable property of any association, company, or firm lies in a place not embraced in any school section, such portion shall be treated in all respects as if situate in the section where the chief works and business of the association, company, or firm are established.

2. In any case where, owing to neglect on the part of the assessors, the County Roll does not afford the information necessary for the purposes of this Act, the Trustees shall request the Clerk of the Peace to refer the Roll back to the assessors for correction or amendment.

3. The following words are added at the end of the fourth section of Chapter 58 of Chapter 29 of the Acts of 1855, entitled "An

Act for the better encouragement of Education," that is to say, and in case the three nearest Commissioners do not agree to the site of a school house the matter shall be referred to the Board of Commissioners for the District or County in which the school is situate, and their decision shall be final. In cases of border sections where the nearest Commissioners do not agree, it shall be referred to the County Inspector, subject to an appeal to the Superintendent of Education, whose decision shall be final.

4. The seventh section of chapter 3 of the Acts of 1866, entitled "An Act to amend the existing laws relating to Education," is amended by substituting the words "Five hundred dollars" for the words "One thousand dollars" in such section.

5. Section 7 of Chapter 30 of the Acts of 1866 entitled "An Act to amend the Act for the better encouragement of Education" is repealed and the following Section substituted therefor:

"The Council of Public Instruction shall have power to draw annually from the Provincial Treasury such sum as shall be necessary for the publication of an educational journal, a copy of which shall be supplied gratuitously to each Board of Trustees for their own and the teachers' use, and also to each inspector and each chairman of examiners and of commissioners.

6. No County in this Province shall be permitted to draw more than six hundred dollars in any one year for assistance to poor districts except in cases where the academy grant is not drawn, in which case the counties shall be permitted to draw the amount of the academy grant in addition to such sum of six hundred dollars, but no more. No section employing a teacher holding a first-class license shall receive any assistance as a poor section.

7. The meeting required to be held by Section 25 of Chapter 20 of the Acts of 1865 "An Act for the better encouragement of Education," shall be held on the last Monday in September in each year instead of on the third Monday in October as prescribed in such section.

8. So much of Chapter 58 of the Revised Statutes and of the Acts in amendment thereof as is inconsistent with this Act is repealed.

9. Nothing in the first two sections of this Act contained shall apply to the school sections in the town of Yarmouth.

10. By Section 5 of the Act to alter and amend chapter 58 of the Revised Statutes, the Government appropriation to aid in the purchase of School Books has ceased. We would therefore specially direct the attention of Trustees and Booksellers to this Revised Section. The Council of Public Instruction will, as heretofore, prescribe the Books to be used in the Public Schools, but will not aid in their purchase.

Also by section 7 of the above amendment, the time for holding the annual school meetings is changed. This meeting in future will be held on the last Monday in September, instead of on the third Monday in October as heretofore. Trustees will observe that this amendment regulates the school meeting to be held this coming autumn.

The sum required by any section, for the purchase of prescribed school books maps and apparatus shall be determined by a majority of rate-payers, present at any regularly called school meeting (to be assessed upon the section in the same manner as all other sums required for the maintenance of the school or schools.)—See Section 16, page 29 of the School Manual.
