Waters's Quinine Wine,
The Most Delightful and Invigorating Tonic known to Science.

The Wine, with which the Sulphate of Quinine is incorporated, is expressly prepared for the purpose, and is of the finest and purest quality, forming a powerful Tonic, a valuable Stomachic, and a gentle Stimulant. It increases the appetite, and is a valuable assistant to digestion. Like all successful preparations, it has a host of servile imitators.

Manufactured by

Waters & Williams, London, England.
