## ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea.

There is an hour in each man's life appointed to make his happiness, if then he seizes it.

## Erysipelas.

Mrs. Jane Smith, of Maitland, was cured of a grievous attack of erysipelas by using Minard's Family Pills 20 days, and applying Minard's Liniment to the parts affected.

Be kind to your friends, that they may continue such; and to your enemies, that they may become your friends.

COMMUNION WINE.—In view of the unrighteous attempt in some quarters to change the element ordained by Christ himself for use in the Holy Communion, an attempt justified by those making it on the ground of the improper character of the wine used in many cases, it becomes of grave importance that the best, purest, and least alcoholic wine should be secured. We notice that the Lord Bishop of London, England—Dr. Temple—himself an earnest supporter of the Church of England Temperance Society, and we believe a total abstainer, recommends the VINO SACRO, which our readers will find from our advertising columns may now be obtained in Montreal. We are sure that many of the clergy will be glad to know where such wine may be had.

An egotist will always speak of himself either in praise or in censure; but a modest man ever shuns making himself the subject of his conversation.—*La Bruyere.*

## CONSUMPTION CURED.

DONALD KENNEDY  
Of Roxbury, Mass., says

Strange cases cured by my Medical Discovery come to me every day. Here is one of Paralysis—Blindness—and the Grip. Now how does my Medical Discovery cure all these? I don't know, unless it takes hold of the Hidden Poison that makes all this.

VIRGINIA CITY, NEVADA, Sept. 9th 1891.  
Donald Kennedy—Dear Sir: I will state my case to you: About nine years ago I was paralyzed in my left side, and the best doctors gave me no relief for two years and I was advised to try your Discovery, which did its duty, and in a few months I was restored to health. About four years ago I became blind in my left eye by a spotted catarrh. Last March I was taken with La Grippe, and was confined to my bed for three months. At the end of that time, as in the start, then it struck me that your Discovery was the thing for me; so I got a bottle, and before it was half gone I was able to go to my work in the mines. Now in regard to my eyes, as I lost my left eye, and about six months ago my right eye became affected with black spots over the sight as did the left eye—perhaps some twenty of them—but since I have been using your Discovery they all left my right eye but one; and, thank God, the bright light of heaven is once more making its appearance in my left eye. I am wonderfully astonished at it, and thank God and your Medical Discovery.  
Yours truly, HANK WHITE.
