

day afternoon, Oct. 11th, and the window was unveiled and dedicated by the Archdeacon. It represents the raising of Jairus' daughter by our Lord; and reflects great credit on N. T. Lyon & Co., of Toronto, who executed the design.

In connection with the intercession for Sunday-schools, a devotional meeting was held in St. John's on the Friday before St. Luke's day. A large number of teachers and Sunday-school workers from the city and suburban churches were present, and, after special prayers and hymns, a very helpful address on Sunday-school work and success was given by Rev. Rural Dean Pollard.

THE following Sunday, in all the churches, the teachers and officers made their corporate communion, and special sermons on Sunday-school work were preached.

THE Rev. Walter Creswick, Rector of St. Saviour's Church, East Toronto, has been convalescing in Ottawa during the past month. He preached in the Cathedral, on the Incarnation, on Oct. 11th.

THE Lord Bishop has returned after a complete visitation of the large and scattered Deanery of Renfrew. Every parish and mission was visited—confirmations held, addresses prescated—and all the Church people given an opportunity of meeting their new Father in God.

THE annual meeting of the Children's Hospital and Convalescent Home was held recently. The holding of the meeting at the hospital seems to have proved a success, judging from the large turnout of friends and supporters. The reports of the secretary, treasurer, and lady superintendent were brimful of encouragement and hope for the future. During the past year marked success has followed the work of the hospital and the financial statement was most creditable; even the clerical critic was pleased and could find no cause for a good-humored complaint. At the election of officers which followed Mrs. Hamilton was unanimously chosen as President, Mrs. W. A. Allen, Hon. Vice-President; Mrs. Grant Powell, Vice-President; Mrs. W. E. Hodgins, Treasurer; and Miss Seymour, Secretary. The Archdeacon spoke for the clergy, Mr. W. L. Marler for the laity, Dr. Shillington for the medical profession—all wishing the hospital the success it desired.
