Regulations for carrying into effect the Convention whereby an International Bureau is created for the Publication of Customs Tariffs (Article XIII of the Convention).

Article 1. The "Bulletin International des Douanes" shall be published in five languages, namely: in German, in English, in Spanish, in French, and in Italian.

Art. 2. Each State taking part in the "Union" will have the right to cause to be translated and published at its own cost, either the whole or any portion of the "Bulletin" into such language as it may find most serviceable, provided that such language be not one of those adopted by the "Bureau International."

Each of the States of the Union shall further have the right to reproduce extracts from the Tariffs, or, in exceptional cases, portions of the "Bulletin," in its own official organ, or in its Parliamentary documents.
