

## NEW ZEALAND SUCCESS STORIES

### Royal Canadian Mint

- awarded contract valued at \$1.97 million to produce New Zealand's 1989 circulation coinage. Fifty million coins have been produced.

### Canada West Trading

- nearly tripled sales of food products in 1989-90 over the previous year from C\$192,500 to C\$541,800, primarily through sales of new products introduced through a Taste of Canada promotion in conjunction with Woolworths.

### Canpotex

- more than doubled sales of potash from 1988 to 1989 to \$12.9 million.

### De Havilland Aircraft Company of Canada

- delivered Dash-7 aircraft worth \$3.5 million to Ansett New Zealand in 1989.
