

ARTICLE IX

1. Except as provided in the following paragraph, no fewer than two copies of the final protection and reproduction materials used in the production shall be made for all co-productions. Each co-producer shall be the owner of one copy of the protection and reproduction materials and shall be entitled to use it, in accordance with the terms and conditions agreed upon by the co-producers, to make the necessary reproductions. Moreover, each co-producer shall have access to the original production material in accordance with those terms and conditions.

2. At the request of both co-producers and subject to the approval of the competent authorities in both countries, only one copy of the final protection and reproduction material need be made for those productions which are qualified as low budget productions by the competent authorities. In such cases, the material will be kept in the country of the majority co-producer. The minority co-producer will have access to the material at all times to make the necessary reproductions, in accordance with the terms and conditions agreed upon by the co-producers.

ARTICLE X

Subject to their legislation and regulations in force, the Parties shall:

- a) facilitate the entry into and temporary residence in their respective territories of the creative and technical personnel and the performers engaged by the co-producer of the other country for the purpose of the co-production; and
- b) similarly permit the temporary entry and re-export of any equipment necessary for the purpose of the co-production.

ARTICLE XI

The sharing of revenues by the co-producers should, in principle, be proportional to their respective contributions to the production financing and be subject to approval by the competent authorities of both countries.

ARTICLE XII

Approval of a co-production proposal by the competent authorities of both countries does not constitute a commitment to either or both of the co-producers that governmental authorities will grant a licence to show the co-production.
