

6. Each Party shall adopt procedures providing for the expeditious release of goods admitted under this Article. To the extent possible, such procedures shall provide that when such a good accompanies a national or resident of the other Party who is seeking temporary entry, the good shall be released with the entry of that national or resident.

7. Each Party shall permit a good temporarily admitted under this Article to be exported through a customs port other than that through which it was admitted.

8. Each Party shall provide that its customs administration or other competent authority refund the security to the importer or another person responsible for a good admitted under this Article and release the importer or the other person of any liability for failure to export the good on presentation of satisfactory proof to the customs administration or other competent authority of the importing Party that the good has been destroyed within the original period fixed for temporary admission or any lawful extension.

9. Except as otherwise provided in this Agreement, no Party may:

- (a) prevent a vehicle or container used in international traffic that enters its territory from the territory of the other Party to exit its territory on any route that is reasonably related to the economic and prompt departure of such vehicle or container;
- (b) require any security or impose any penalty or charge solely by reason of any difference between the port of entry and the port of departure of a vehicle or container;
- (c) condition the release of any obligation, including any security, that it imposes in respect of the entry of a vehicle or container into its territory on its exit through any particular port of departure; or
- (d) require that the vehicle or carrier bringing a container from the territory of the other Party into its territory be the same vehicle or carrier that takes such container to the territory of the other Party.

10. For purposes of paragraph 9, "vehicle" means a truck, a truck tractor, a tractor, a trailer unit or trailer, a locomotive, or a railway car or other railroad equipment.
