The Acting Speaker (Mr. Paproski): I declare the motion lost. The hon. member for Churchill on a point of order.

Mr. Murphy: Mr. Speaker, I think you will find that there is agreement among the parties to count that vote against all the other deferred votes from this afternoon on the assumption on the final vote on report stage would be reversed.

Miss Grey: In the interest of saving time I would like it recorded that on Motion Nos. 5 and 7 which are grouped together and Motion No. 17, I would like my vote registered in the affirmative and then to concur at the report stage with Bill C-49, voting yes with the government.

• (1820)

Mrs. Gaffney: Mr. Speaker, had I been here for the last vote, I would have voted with the yeas, and any other votes I will vote in that manner.

The Acting Speaker (Mr. Paproski): The next question is on Motion No. 5.

The House divided on the motion, which was negatived on the following division:

(Division No. 149)
