Dr. Davis S. Likely,
180 West 59th Street,
New York, N.Y.

My dear Dr. Likely:-

On my return to Montreal this morning I found awaiting me your letter of December 26th in which you were kind enough to ask me to attend the annual reunion of the New York McGill Graduates' Society on the 30th of this month.

I have an engagement to go to New York on February 12th to make an address on Abraham Lincoln before the League of Political Education Society. Would it be possible to make your date two weeks later,- that is, change it from Saturday, January 30th to Saturday, February 13th? If not, I greatly fear it will be impossible for me to go to New York twice in the space of a fortnight, but I shall be very glad indeed to send some one who would worthily represent McGill.

Yours faithfully,
