Dr. F. D. Adams,
Dean, Faculty of Applied Science,
McGill University.

Dear Sir:

Attached you will please find a copy of the Minutes of yesterday's meeting of the Committee on Physical Education.

Would you please be so kind as to,

- (a) have the text of the resolution made known to the students placing only one period per day, (making a total of six possible attendances per week), the maximum number of credits to be allowed and
- (b) present to the Faculty for consideration the recommendation concerning excuses from lectures for authorized athletic trips.

Yours respectfully,

ASL/EBL.

Copy to Sir Arthur Currie.
