Meanwhile, Parkdale are not letting up at all in their practices and will go into the game ast if it was the hardest of the season. Last night McEachren turned out with the Paddlers for the first time, and says he will be in condition to play a week from Saturday. Parkdale will practice again tonight and also on Saturday afternoon at five o'clock.

Varsity held their final practice last night and it was rip and tear right from the star. Jack Maynard donned his uniform for the first time since last Saturday, but he did not take any chanees. He kept the players at it for over an hour. Just who will make the team Saturday is not known, and it is harly likely that the ywill be picked until just before the game. Strafford, whose nose was injured early in the striggle, was out again at practice on Tuesday afternoon. Clarke and Brownfield, of the back division, were not in uniform, being allowed a day off. Cochrane, whose knees are sore, took it easy at the turn out. The seconds played against the seniors, and evidenced their ability to put up a scrap in the junior scries.

Morphy, one of the firsts, is mending from a bad knee. Fry, whose right shoulder was injured in practice some time ago, will probably not be in the game again this season. Elliott Green, who coached the team for a couple of weeks before the first game, has left, and Capt. C. P. Constantine, of the R. C. H. A. a rugby star when he attended the college, will likely coach.

Pronoter Green is in Montreal making efforts to arrange a Rugby game between either the M.A.A.A or McGill with the Carlisle Indians for the afternoon of Thanksgiving Day. It was Mr. Green who arranged last year's game with Toronto, Old Boys and the Carlisles. The Indians are under contract to play in Canada Thanksgiving Day. The original idea was to stage a game in Toronto, but there is a hitch lover the grounds, and it looks as if the battle will be transferred to Montreal, says The Montreal Star. The Carlisles overwhelmed the Varsity Old Boys last year, but, if they meet McGill they will be up against an altogether different proposition. Last year, Jim Thorpe, the peer of world's athletes, was the star of the Carlisle team.

The story is current in McGill circles that Coach Shaughnessy will change marter-backs for Saturday's game with Varsity. In the game with Oueen's last week, Lorne Montgomery held down this position, but did not show up to admit the line when the red and white play Torotto. In case of Lee going to quarter. Monty will revert to centre serimmage, where he would be a star, as he was last reat.

Broke Pole Vault Record and Aided His Faculty in Taking Premier Honors.

The fourteenth annual field day of the University of Toronto Club, held yester-

The rivalry between the different faculties was so keen and they were so well represented that the contests were replete with some nerve-racking finishes. No less than three records went by the boards, and one was equaled. Joe Bricker of Dents beat his former mark of 11 feet 2 inches in the pole vault by six inches, and he will be credited with the new record of 11 feet 8 inches. W. S. McKeough, Meds, broke the high jump record made by C. F. Barber in 1995. The former mark was 5 feet 6% inches, out McKeough cleared the bar at 5 feet 8½ inches. E. H.
