### ARGONAUTS BEATEN BY THE CHAMPIONS

Poor Senior Game at Arena-Scullers Made It Interesting at the Close.

A small crowd saw T.R. & A.A., minus services of Heffernan and Brown, down the Argonauts 5 to 3 in one of the poorest senior fixtures of the year at the Arena last night. The ice was heavy thruout and the scullers could never get any combination working, while the champions relied on one man rushes for champions relied on one man rushes for the biggest part of the game. Harry Meeking held down the left boards for the champions, and Horsfield was used on the right side, with McLean moved back to the defence. H. Meeking showed a nice hard checking game the whole way, but Horsfield was never in

It was clean thruout with Toronto doing the pressing in the first half. The heavy going had Argos missing passes and dumping on the ice at every check. T.R. & A.A. used their bodies to good effect in the first round, and had the

Schlegel broke up many a rush and carried it the length of the rink, only to find that nobody was waiting at centre ice for the pass. The double bluewere off color in their shooting for thirty minutes, and out of two dozen chances only came close an odd half dozen.

Glibert was again in good form, and his work in the Argo net was pretty to watch. He repeatedly came out to check the man after the defence had been beaten, and did it in pretty style. Two minutes after the start Gordon Meeking carried it down, but Gilbert chased him behind the net. Gordon passed out to Brother Harry at the side and close in, who netted it from a scramble.

It took the scullers 10 minutes to even it up, when Burritt carried it thru alone from a face off near centre ice, stick-handling his way thru the whole works and beating Smith from dead in front. Argonauts went to the front four minutes later when Uffleman completely fooled Smith with a long lift from the side near centre ice. It landed on the corner of the net. The score was even at half-time owing to Horsfield batting in a pass at the goal mouth from a pretty combination by the Meeking brothers.

Argos had found their sea legs in the second half and made it interesting all the way. Uffleman and Sanderson checked hard all the way, while Swan and Burritt kept forcing in from the centre. Gooch did some nice individual work in this half and went from end to end time after time. The Torontos had the best of it for the first fifteen minutes, but the scullers moved every man up in the closing minutes of the game and came

closing 'minutes of the game and came close to tying it up.

Toronto got the first two and then schiegel went up and gave Swan a pass when he was thru the defence, and it was an easy goal. The scullers moved up their defence and they had it at Toronto's end continually. Gooch broke away with only a minute to play and G.

Meeking was waiting to bat in the pass.

### PRESTON SWAMPED WATERLOO UNDER

PRESTON, Jan. 27.—The intermediate O.H.A. game played in the new arena here tonight between Preston and Waterloo was another one-sided game. At half time the score was 5 to 1 in favor of the home seven, and when the gong sounded for full time Preston had rolled up 4 more goals, which made the total 9 to 1 in favor of Preston. The ice was in poor condition on account of the mild weather, otherwise the players did good work, Preston being a little too fast and better stick-handlers than the boys from the northern part of the county.

BARACAS CLASH WITH ST. ANDREW'S TONIGHT. The Baracas and St. Andrew's intermediate basketball teams will clash tonight in an O.B.A fixture on the Baraca floor. This will be the Saints' first appearance in this association, and they are out to gain a reputation and will surely give the more experienced Baraca players a good argument. This game will be preceded by one between the West End "Y" juniors and the St. Andrew juniors. These two teams have a victory over the other to their credit, and are now playing this game on neutral floor to break the tie. Mr. Ed. Buscombe will officiate.

Jacks won from Waterloo juniors in the O.H.A. game this evening. The contest, which was piayed on sticky ice, was a fair exhibition, being featured by many pugilistic encounters, and many penaltles.
