TORONTO STUDENT WON SCHOLARSHIP

Andrew R. Gordon Takes Prince of Wales Prize for General Proficiency.

FOND OF MATHEMATICS

Teachers Regard Him as Most Promising and He Likes Sports.

The winner of the Prince of Wales prize for general proficiency at the University of Toronto matriculation scholarship examinations, Andrew Robertson Gordon, is eighteen years of age, and received all his training in the schools of Toronto. His preliminary education was gained at the Model School, and he has attended the University schools since its start five years ago. He is the son of Dr. A. R. Gordon, who was one of the chief medical men connected with the University Base Hospital, and who was recently invalided back to Toronto. He is the nephew of the Rev. C. W. Gordon of Winnipeg, "Ralph

But the bent of the boy's mind i rather towards the mathematical and scientific than the imaginative and linguistic. His mathematical teachers regard him as the most promising mathematician they have met. Tho very earnest student he is not a bookworm, but is interested in out-of-door ports, and has a particular penchant

for baseball. Apart from his hono in scholarship in the recent University examination he won, in his final year as head boy in the University Schools, the gov-ernor-general's medal for proficiency and was also awarded the First Major Leonard prize for the best English composition in the University Schools At the matriculation examination he ranked first in general proficiency and first in every combination of departments for which scholarship is award

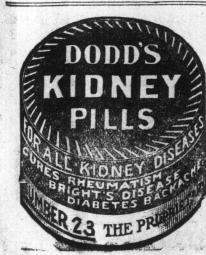

UNITED WORKMEN HELD FIRST ANNUAL PICNIC

Toronto District Enjoyed Day a Exhibition Grounds and Entire Program Interesting.

The annual picnic of the Toronto district of the Ancient Order of United Workmen was held in Exhibition Park Saturday afternoon last and was we attended. There were 22 contests for being the ladies' football match, which excited the greatest interest. Miss Boddy and Miss Whitehead were the captains in this match which prizes on the program, the final one captains in this match, which resulted reavement.

in a victory for Miss Whitehead's The grand lodge was represented by W. C. Mikel, K.C., grand master Workman; F. G. Inwood, grand recorder: J. Lockie Wilson, grand foreman; C. E. Cameron, past grand mas-ter; Ald. J. W. Meredith, grand guide; does not H. L. Crawford, district deputy grand Coll. 1752.

master. W. C. Mikel, F. G. Inwood and J Lockie Wilson delivered short addresses of a fraternal character. The district committee carried thru the arrangements in a very satisfactory

Thin people are victims of mal-nutrition. a condition which prevents the fatty elements of food from being taken up by the blood as they are when the powers of nutrition are normal. Instead of getting into the blood, all the fat and flesh-producing elements stay in the intestines until they pass from the body as waste.

To correct this condition and to procorrect this condition and to produce a healthy, normal amount of fat the nutritive processes must be artificially supplied with the power which nature has denied them. This can best be accomplished by eating a Sargol tablet with every meal. Sargol is a scientific combination of six of the best strength-giving, fat-producing Special to The Toronto World.
CORNWALL, Aug. 16.—E. S. Gregory, an hotelkeeper at Finch, appeared before Magis trate Davis today, on a elements known to the medical profession. Taken with meals, it mixes with the food and turns the sugars and starches into rich, ripe nourishment for the tissues and blood, and its rapid effect is remarkable. Reported gains of from ten to twenty-five charge of selling liquor without a li-cense, preferred by A. E. Fetterly, inspector, of Aultsville. He was fined pounds in a single month are by no means infrequent. Yet its action is perfectly natural and absolutely harmless. Sargol is sold by good druggists everywhere, and every package con-tains a guarantee of weight increase or

they were at work on a government barge at Chambly at 7.25 a.m. today. The victims are Arthur Segion, 55 years old, of Canton, and Ernest years old, of Canton, and Ernest will be subject to 5 per cent. penalty.

Caution:—While Sargol has produced remarkable results in the duced remarkable results in the treatment of nervous indigestion and treatment of nervous indigestion and general stomach disorders, it should general stomach disorders, it should general stomach disorders, it should general stomach disorders. not, owing to its remarkable flesh-producing effect, be used by those who are not willing to increase their weight
