## TWENTY-SIXTH YEAR

## **Castro Has Trump Card** Involving Britain and Germany

## In His Venezuelan Game

Attitude-Only His Personality

Keeps Country Together.

By Uniting Their Common Interests in Biggest Obligations, He Can Count at Least on Interference if U. S. and France Became Oppressively Insistent.

New York, Oct. 1.—The Herald has the following Washington special: Has a new Zenezuelan complication arisen? Some persons with an intimate knowledge of developments within the country dominated by President Castro aver that a situation has developed within recent months which is of far within recent months which is outly greater importance to this country than anything which has as yet arisen than anything which has a second than a second that we will also a second that the second

the French cable company case.

General Castro, according to these persons, has played a trump card and has succeeded in uniting Great Britain has succeeded in his succeeded to have been alienated to Great has a succeeded to have great has a succeeded to have been alienated to feet uniting

bave been allenated to meet the interest and sinking fund charge.

That it is a quast gover and Germany of the two councies and or maining which include the two councies and or maining which is a quast gover and in the proper proportions, to fund necessary to meet the interest and sinking fund charges are to be pald over, every friend agar, in their proper proportions, to appeal to his people's at the proper proportions, to make the proper pr

and above the assigned percentages of customs receipts, is left at each port, but is it likely, in view of the situation created, that England and Germany will stand idly by, in the event of the United States and France seizofing custom houses in order to coerce ing custom houses in order to coerce ing custom houses in order to coerce ing custom houses in order to coerce in all the customs revealed a rising out of any port whatsoever. A blockade, "pacific" or warlike, would disturb the natural business of Venezuela and upset the flow of revenue.

many to abandon renewed hectoring widespread feeling that the state insurance department has been derelict in not having discovered long ago in its examination of the affairs, both of the Equitable and the New York Life that cheques and vouchers for such considerable sums were being regularly paid for years for seemingly questionable.

Expect Realty Scandal.

sent any such message.

And there may have been others.

### CRUSHED BY BOULDER AFTER FALL DOWN HILL

Winsted, Conn., Oct. 1.—While climbing a high hill to-day, John Laddrah, who was on a hunting trip, stepped on a big boulder which toppled over and both man and rock were hurled down a 50 foot embankment.
At the bottom the rock fell on Laddrah and killed him instantly and his crushed body was found by his son.

MUST HURRY OR LOSE GRANT.

Ottawa, Oct. 1.—Hon. Nelson Mon-teith, minister of agriculture, has sent Oct. 3. the city council a letter amounting to matum that if the new live stock building is not properly constructed and ready for the show in March there Two buildings have already collapsed, and aldermanic differences is blocking progress on the third attempt.

## MUTUAL LIFE IS "NEXT" SOME THINGS TO EXPLAIN

Work of "Triple Alliance" to Be Thoroly Probed - McCall is to Be Recalled.

New York, Oct. 1.-Startling as have been some of the revelations already made indicating the part which some of the great insurance companies have Emperor Likely to Relax His Severe played in politics and in influencing legislation, it is believed the state legislative inquisition is only on the threshold of this portion of its investi-

gation.

Alfred W. Maine of the auditing department of the Equitable laid bare enough on Friday afternoon to make New York, Oct. 1.—The Sun prints it necessary now that the whole truth The Hungarian revolt took a still should become known. Incidentally his testimony showing that the Equitable had paid to "Judge" Andrew Hamilton caused grave uneasiness through Function with the policy of the street form o than anything which has as yet alised out of the asphalt company dispute or the French cable company case.

General Castro, according to these deneral Castro, according to the set of the

disturb the natural business of Venezuela and upset the flow of revenue.

To Protect Their Interests.

It is not at all impossible, therefore, that a demonstration upon the part of this country would bring a strong protest from Great Britain and Germany.

To Great Britain and Germany.

To Protect Their Interests.

It is not at all impossible, therefore, that a demonstration upon the part of this country would bring a strong protest from Great Britain and Germany.

To Brotect Their Interests.

It is not at all impossible, therefore, the consequences in some degree, but his wisdom and humanity can hardly allow him to resort to that fatal expedient.

Stockholm. Oct. 1.—Elections for the second chamber of the setate department of the New York Life, he returned upon a phase of the second chamber of the state department of the visual department of the real estate department of the New York Life, he returned upon a phase of the scandals hardly second to any which have just been concluded. The great protection of the dissolution of the dissolution of the dissolution of the dissolution of the union have preceded it. Persons believed to be well informed maintain that in their that directions.

most here of the war, arrived here today on a steamer from Port Arthur.

The body was received with great
civic and military demonstration in
striking conthast with the difference
displayed on the arrival of Lieut.-Gen.
Stoessel. Deputations brought wreaths
from many cities and from the Russian
army in Manchuria.

Saturday's Temperature of 84 Was Twenty Degrees Above the Usual-Month of September Was Warmer Than Average - Nice Weather to Continue.

Case of sunstroke in October is something rather unusual, yet there was such a happening at Riverdalc Park on Sunday afternoon, when a Montreal, Oct. 1.—(Special.)—Relating lady, who lives on Mutual-street, was to the delay by the minister of justice overcome by the sun's bright rays, and

United States and Great Britain. But the British government is the real bondsman.

"Until 10.30 on Saturday morning the warrant was not signed. Why I do not know. Every formality was compiled with. It should be signed not later than governments, not between lawyers, and I cannot imagine that the Canadian government will compromise itself by permitting any interference with the obligations of the law and of the treaties. That would be a scandal.

"It should welcome the opportunity to restore as far as possible the unfairly besmirched name of Canadian justice in the eyes of the American nation, There has been quite enough, and more than enough, scandal already.

"In justice to our judiclary, however, it must not be forgotten that the extradition judge, our superior court, our court of king's bench, our supreme court at Ottawa, and the judicial committee of the privy council, have demonstrated promptly that there is a corrective for every abuse, and that the law of the land and treaty obligations are saored and must be respected.

"The courts have done their duty. It is now up to the government of Canadian government will fall to see and do its duty, especially in a matter that concerns our own national self-respect and our obligations to a state of the courts have done their duty. It is now up to the government will fall to see and do its duty, especially in a matter that concerns our own national self-respect and our obligations to a state of the courts have done their duty. It is now up to the government will fall to see and do its duty, especially in a matter that concerns our own national self-respect and our obligations to a state of the month are claimed for it.

Ontario seems to be in the position of a happy medium just now. Both to the west and east there is essel likable.

of a happy medium just now. Both to the west and east there is less likable weather. In Calgary, the temperature was down to 20 on Saturday night, and at Vancouver it was 46 yesterday. A very heavy gale occurred in Mani-toba on Suhday, and would have done much damage to wheat were the gold-en grain not comfortably stored away in the barns. In Quebec it has been cooler than in Ontario.

## KOMURA AT PORT ARTHUR.

Little Things That Count. If you are satisfied your personal appearance is up to par you have a business asset of self-confidence that

helps.
No man can really possess this underneath an old hat. The hat can make or mar the man who cultivates appearance.
