After taking the drink, she declared that she immediately began to feel dizzy and her head "spun around" as if she had been given some powerful drug. In this condition her escort drove her along an unfrequented road and then abused her.

She recalled nothing more until she regained her senses in, bed late that night at the home of County Clerk E. L. Kidd. On the following morning she related to her father on bended knees the statement she made to-day. This recital, the defense contends, so affected the mind of Judge Loving that he committed a crime which, according to his statement, could have been pre-vented by no power "except God Al-mighty."

after an argument of an hour, Judge Barksdale permitted the defendant, who was on the stand, to relate a conversation with his brother-in-law, Harry Sneed, who told him of the alleged drugging of his daughter, which led to the killing.

"This revelation came to me as a thunderbolt from a clear sky," said the defendant. "I loved my daughter and no power on earth could have restrain-Here the witness wept, and several

Many have abused this grand privilege and through dissipation have become weaklings, puny, lack confidence, can't face the slightest difficulty, have drains, losses, impotency, varicocele, rheumatism, lame back, etc., and are mere playthings in the hands of their associates. How deplorable! But all these men can be made full of strength, vigor and life if they will only turn to the right source. Electricity cures these cases. I have been curing thousands every year for nearly forty years. So positive am I of what my world-famed Dr. Sanden Electric Belt will do that if you will call or send for one you can use it.
