Just take up a Parisian Fur catalogue, and you'll realize what Canadian Mink means in European winter fashions. There is no mink found in the world so perfect as that trapped in our northern wilds. It follows, then, that Mink is better and cheaper here than elsewhere. We assure you that we have absolutely the largest stock of perfeet Mink pelts to be found in Canada.

EXCLUSIVENESS—A Distinctive Feature of Our Fur Styles . . .

Featured by an exclusiveness and richness of style that makes the entire display distinctive, the supremacy of our Furs was never so apparent as this season.

Yet exclusive style is not the most noteworthy feature of our Furs. In keeping with the reputation that this house has gained, the quality and workmanship are of the highest order; and when comparison is made, prices will be found to be decidedly moderate. Style book on request.
